## Coeur Mining, Inc.

Offer to Purchase for Cash Any and All of its 5.875% Senior Notes due 2024

The Offer (as defined herein) is scheduled to expire at 5:00 p.m., New York City time, on February 26, 2021, unless extended or earlier terminated by the Company (as defined below) in its sole discretion (such date and time, as may be extended, the “Expiration Time”). Holders (as defined herein) must tender their Notes at or prior to the Expiration Time, but not after, or comply with the guaranteed delivery procedures described herein, to receive the Tender Consideration and Accrued Interest (each as defined below). Notes tendered may only be withdrawn at or prior to 5:00 p.m., New York City time, on February 26, 2021 (such date and time, as the same may be extended, the “Withdrawal Deadline”) but, except as otherwise provided, not thereafter. The Offer is subject to the satisfaction or waiver of certain conditions, as set forth under the heading “The Offer—Conditions of the Offer.”

Upon the terms and subject to the conditions set forth in this Offer to Purchase (as it may be amended or supplemented from time to time, the “Offer to Purchase”), Coeur Mining, Inc. (the “Company”) is hereby offering to purchase for cash (the “Offer”) any and all of its 5.875% Senior Notes due 2024 (CUSIP/ISIN: 192108BB3/US192108BB36 (Registered), 192108BA5/US192108BA52 (144A) and U19210AG5/USU19210AG50 (Reg. S)) (the “Notes”) from the holders of such Notes. Following consummation of the Offer, the Notes that are purchased by the Company in the Offer will be retired and cancelled and no longer remain outstanding obligations. The Offer is not conditioned on any minimum principal amount of Notes being tendered.

The following table sets forth the key terms of the Offer:

Title of Security	CUSIP/ISIN	Outstanding Principal Amount	Tender Consideration <sup>(1)</sup>
5.875% Senior Notes due 2024	192108BB3/US192108BB36 (Registered) 192108BA5/US192108BA52 (144A) U19210AG5/USU19210AG50 (Reg. S)	\$230,000,000	\$1,029.38

(1) Per \$1,000 principal amount of Notes validly tendered and not validly withdrawn at or prior to the Expiration Time or the Guaranteed Delivery Time (as defined below) pursuant to the guaranteed delivery procedures and accepted for purchase. Does not include Accrued Interest (as defined below).

In addition to the Tender Consideration, Holders who tender Notes that are accepted for purchase by the Company pursuant to the Offer will receive a cash payment representing the accrued and unpaid interest on such Notes from the applicable last interest payment date to, but not including, the Settlement Date (as defined below) (the “Accrued Interest”), payable on the Settlement Date or the Guaranteed Delivery Settlement Date (as defined below), as the case may be. For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including any such Notes tendered through the guaranteed delivery procedures described herein. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date, which is currently expected to be March 3, 2021, three business days after the Expiration Time.

In order to be eligible to receive the Tender Consideration and Accrued Interest, Holders must (i) validly tender their Notes at or prior to the Expiration Time and not validly withdraw such Notes prior to the Withdrawal Deadline or (ii) validly tender their Notes pursuant to the guaranteed delivery procedures described herein.

Beneficial owners of Notes are advised to check with any bank, securities broker or other intermediary through which they hold Notes regarding when such intermediary would need to receive instructions from a beneficial owner of Notes in order for that beneficial owner to be able to participate in, or withdraw their instruction to participate in, the Offer, by the deadlines specified in this Offer to Purchase. The deadlines set by any such intermediary and/or The Depository Trust Company (“**DTC**”) for the submission and withdrawal of tender instructions will be necessarily earlier than the relevant deadlines specified in this Offer to Purchase.

*The Dealer Manager for the Offer is:*

**GOLDMAN SACHS & CO. LLC**

The date of this Offer to Purchase is February 22, 2021.

Unless otherwise indicated or as the context otherwise requires, as used in this Offer to Purchase, the words “we,” “us,” “our,” and “ours” refer to the Company.

The Offer is not conditioned upon any minimum amount of Notes being tendered. The Offer is, however, conditioned upon the satisfaction or waiver of a number of conditions, including the receipt by the Company of proceeds from a proposed offering of debt securities (the “**Debt Financing**”) on terms reasonably satisfactory to the Company, in its sole discretion, and subject to applicable law, and generating net proceeds in an amount that is sufficient to effect the repurchase of all Notes validly tendered (and not validly withdrawn) by holders and accepted for purchase by the Company pursuant to the Offer, including the payment of any premiums, Accrued Interest and costs and expenses incurred in connection therewith (the “**Financing Condition**”). Notes may only be tendered and accepted for payment only in principal amounts equal to minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Notes must continue to hold Notes in denominations of at least \$2,000 principal amount, or the “**Minimum Authorized Denomination.**” The “**Tender Consideration**” for each \$1,000 principal amount of Notes tendered and accepted for purchase pursuant to the Offer is specified on the cover of this Offer to Purchase.

In addition to the Tender Consideration, all Holders of Notes accepted for purchase will also receive Accrued Interest up to, but not including, the Settlement Date.

A press release announcing the amount of Notes to be accepted for purchase pursuant to the Offer will be published as soon as practicable following the Expiration Time.

Subject to the terms and conditions of the Offer, we expect to accept for purchase one business day following the Expiration Time all of the Notes validly tendered and not validly withdrawn (the date of such acceptance, the “**Acceptance Date**”). With respect to Notes accepted for purchase on the Acceptance Date and delivered at or prior to the Expiration Time, if any, the Holders thereof will receive payment of the Tender Consideration for such accepted Notes on or promptly after the Acceptance Date, with the date on which the Company deposits with DTC the aggregate Tender Consideration for such Notes, together with an amount equal to Accrued Interest thereon, being referred to as the “**Settlement Date.**” With respect to accepted Notes delivered pursuant to the guaranteed delivery procedures described below, the Holders thereof will receive payment of the Tender Consideration for such Notes one business day after the Guaranteed Delivery Time (as defined herein), together with an amount equal to the Accrued Interest thereon, such date being referred to as the “**Guaranteed Delivery Settlement Date.**” For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including any such Notes tendered through the guaranteed delivery procedures described herein. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date, which is currently expected to be March 3, 2021, three business days after the Expiration Time. Under no circumstances will any interest on the Tender Consideration be payable because of any delay in the transmission of funds to Holders by DTC.

Except as otherwise provided herein and as required by applicable law, Notes tendered in the Offer may be validly withdrawn at any time at or prior to the Withdrawal Deadline, but not thereafter. See “The Offer—Withdrawal of Tenders.”

Subject to applicable law, the Offer may be terminated or withdrawn at the Company’s discretion. In the event of a termination or withdrawal of the Offer, any Notes you have tendered pursuant to the Offer will promptly be returned to you or credited to your account through DTC and your DTC participant. In the event Notes you tendered are not purchased for any other reasons, they will be promptly returned to you or credited to your account.

The Company expressly reserves the right, in its sole discretion, subject to applicable law, to (i) extend the Expiration Time; (ii) waive any and all conditions of the Offer; (iii) terminate the Offer; or (iv) otherwise amend the terms of the Offer in any respect.

The Offer is conditioned upon certain conditions, and the Company expressly reserves its right, subject to applicable laws, to terminate the Offer at any time prior to the Expiration Time.

Neither the Company, the Trustee, (as defined below) the Information and Tender Agent (each as defined below) nor the Dealer Manager makes any recommendation to you as to whether you should tender, or refrain from tendering, your Notes

pursuant to the Offer. Holders must make their own decision as to whether to tender their Notes and, if so, the principal amount to tender.

The Company expects to call for redemption any Notes not tendered to us in the Offer.

See “Certain United States Federal Income Tax Consequences” for a discussion of certain factors that should be considered in evaluating the Offer.

## IMPORTANT INFORMATION

**This Offer to Purchase and the documents incorporated by reference herein contain important information which should be read carefully before any decision is made with respect to a tender of Notes pursuant to the Offer. If any Holder is in any doubt as to the action it should take or is unsure of the impact of the Offer, it should seek its own financial and legal advice, including as to any tax consequences, from its stockbroker, bank manager, attorney, accountant or other independent financial or legal adviser. Any individual or company whose Notes are held on its behalf by a broker, dealer, bank, custodian, trust company or other nominee or intermediary must contact such entity if it wishes to tender Notes in the Offer. None of the Company, the Dealer Manager, the Information and Tender Agent, the Trustee (or any of their respective directors, employees or affiliates) is providing Holders with any legal, business, tax or other advice in this Offer to Purchase, or making any recommendation as to whether or not Holders should tender, or refrain from tendering, Notes in the Offer, and none of them has authorized any person to make any such recommendation. Holders should consult with their own advisers as needed to assist them in making an investment decision and to advise them whether they are legally permitted to tender Notes for cash.**

In making their decision whether to tender their Notes, Holders must rely on their own examination of the Company and the information contained in this Offer to Purchase, including their own determination of the merits and risks involved in participating in the Offer. None of the Company, the Dealer Manager, the Information and Tender Agent or the Trustee has expressed any opinion as to whether the terms of the Offer are fair. None of the Company, the Dealer Manager, the Information and Tender Agent or the Trustee makes any recommendation as to whether Holders should tender Notes or refrain from doing so pursuant to the Offer. Holders must make their own decision as to whether to tender Notes or refrain from doing so and, if they wish to tender any Notes, the principal amount of such Notes to tender. Any decision to participate in the Offer will involve certain risks including, among others, those described in “Forward-Looking Statements” and “Market and Trading Information.”

Each Holder who desires to tender Notes should follow the procedures set forth in this Offer to Purchase under “The Offer—Procedures for Tendering Notes.” All Holders who hold Notes through a broker, dealer, commercial bank, trust company or other nominee and who wish to tender such Notes must contact the broker, dealer, commercial bank, trust company or other nominee and instruct them to tender such Notes.

**Tenders of Notes may be validly withdrawn prior to the Withdrawal Deadline, but may not be validly withdrawn after such time, except as otherwise set forth herein or as required by applicable law.**

All of the Notes are held in book-entry form through the facilities of DTC. Unless the context otherwise requires, all references in this Offer to Purchase to a “Holder” are to each person who is shown in the records of DTC as a holder of Notes. In the event of a termination of the Offer or a valid withdrawal of Notes from the Offer, Notes tendered through DTC will be credited to the Holder through DTC.

Because only registered holders of Notes may tender Notes, beneficial owners of Notes must instruct the broker, dealer, commercial bank, trust company or other nominee that holds Notes on their behalf to tender Notes on such beneficial owners’ behalf. DTC has authorized DTC participants that hold Notes on behalf of beneficial owners of Notes through DTC to tender their Notes as if they were Holders.

**If you decide to tender your Notes, you must do so in accordance with the procedures set forth under “The Offer— Procedures for Tendering Notes.”**

To effectively tender Notes, DTC participants must deliver their Notes or electronically transmit their acceptance, and thereby tender Notes, through DTC’s Automated Tender Offer Program (“ATOP”). Delivery of the Agent’s Message (as defined below under the caption “The Offer—Procedures for Tendering Notes”) by DTC will satisfy the terms of the Offer related to delivery procedures. If any Holder desires to tender its Notes and (1) such

Holder cannot comply with the procedure for book-entry transfer or (2) such Holder cannot deliver the other required documents to the Information and Tender Agent by the Expiration Time, such Holder must tender its Notes according to the guaranteed delivery procedure specified in “The Offer—Procedures for Tendering Notes” below, including delivery of the “Notice of Guaranteed Delivery.”

**Beneficial owners of Notes are advised to check with any bank, securities broker or other intermediary through which they hold Notes regarding when such intermediary would need to receive instructions from a beneficial owner of Notes in order for that beneficial owner to be able to participate in, or withdraw their instruction to participate in, the Offer, by the deadlines specified in this Offer to Purchase. The deadlines set by any such intermediary and/or DTC for the submission and withdrawal of tender instructions will necessarily be earlier than the relevant deadlines specified in this Offer to Purchase.**

A beneficial owner of Notes tendered by tendering Holders will not be obligated to pay brokerage fees or commissions to the Dealer Manager, the Information and Tender Agent, the Trustee or the Company. Beneficial owners whose Notes are registered in the name of a nominee, must contact such nominee to ascertain whether such beneficial owner will be charged a fee by the nominee for tendering its Notes. Beneficial owners should check whether their brokers or custodians will charge any fees.

The Bank of New York Mellon, as the indenture trustee with respect to the Notes (the “**Trustee**”) has not independently verified, makes no representation or warranty, express or implied, regarding, and assumes no responsibility for, the accuracy or adequacy of the information provided herein. The Trustee will conclusively rely on the results of the Offer as reported by the Information and Tender Agent and the Company, and the Trustee will have no liability in connection therewith.

Any questions, requests for assistance or requests for additional copies of this Offer to Purchase should be directed to D.F. King & Co., Inc., which is acting as information agent and tender agent (in such respective capacities, the “**Information and Tender Agent**”), at one of its telephone numbers set forth on the back cover page of this Offer to Purchase. You may also contact the Dealer Manager at its telephone numbers set forth on the back cover page of this Offer to Purchase or your broker, dealer, or other similar nominee for assistance concerning the terms of the Offer.

Requests for additional copies of this Offer to Purchase and requests for assistance relating to the procedures for tendering Notes may be directed to the Information and Tender Agent at the address and telephone numbers on the back cover page of this Offer to Purchase. Requests for assistance relating to the terms and conditions of the Offer may be directed to the Dealer Manager at the address and telephone numbers on the back cover page of this Offer to Purchase. Beneficial owners may also contact their broker, dealer, commercial bank, trust company or other nominee for assistance regarding the Offer.

References herein to “\$” or “dollars” are to the lawful currency of the United States unless otherwise noted.

**The Offer is not being made to, and tenders will not be accepted from or on behalf of, Holders in any jurisdiction in which the making or the acceptance of the Offer or the purchase of Notes would not be in compliance with the laws of such jurisdiction.**

### **PURPOSE OF THE TENDER OFFER**

The purpose of the Offer is to retire the Notes tendered hereby.

### **DESCRIPTION OF DEBT FINANCING**

Concurrently with this Offer, we have commenced the Debt Financing, a portion of the net proceeds of which will be used to pay all or a portion of the Tender Consideration to all Holders of Notes accepted for purchase pursuant to the Offer, plus Accrued Interest and costs and expenses incurred in connection therewith. The Debt Financing is expected to be consummated on the Settlement Date, but the timing of the consummation, if any, of the Debt Financing will depend on market conditions and other factors. We cannot assure you that we will complete the Debt Financing in a timely fashion, or at all, and our obligation to accept for purchase and pay for the Notes validly tendered pursuant to the Offer is conditioned upon satisfaction or waiver of the Financing Condition and the other General Conditions.

This Offer to Purchase does not constitute an offer to sell or a solicitation of an offer to buy any securities or other financial instruments which may be issued or otherwise incurred in connection with the proposed Debt Financing.

## **SOURCES AND AMOUNTS OF FUNDS**

The Company is offering to purchase for cash, upon the terms and subject to the conditions set forth in this Offer to Purchase, any and all of the Notes. The Company intends to use all or a portion of the net proceeds from the proposed Debt Financing, together with cash on hand, if needed, to pay the Tender Consideration, Accrued Interest and costs and expenses in connection with the Offer to all Holders whose Notes are validly tendered and not withdrawn and accepted for purchase by the Company pursuant to the Offer. The Company currently intends to, at its sole discretion, redeem any Notes that are not tendered in the Offer in accordance with the terms of the indenture governing the Notes (the “**Indenture**”).

## THE OFFER

### General

On the terms and subject to the conditions described in this Offer to Purchase, the Company is offering to purchase from Holders for cash any and all of the Notes tendered to it for the Tender Consideration, plus Accrued Interest on such Notes, payable on the Settlement Date or the Guaranteed Delivery Settlement Date, as the case may be.

Subject to the terms and conditions of the Offer, Holders that validly tender and do not withdraw their Notes at or before the Expiration Time will receive the Tender Consideration, plus Accrued Interest on their purchased Notes on the Settlement Date. Only Holders who (i) validly tender their Notes at or prior to the Expiration Time or (ii) validly tender their Notes pursuant to the guaranteed delivery procedures described herein at or prior to the Guaranteed Delivery Time will receive the Tender Consideration for such Notes that we accept for payment pursuant to the Offer, in each case unless such Notes (or, as applicable, notice of guaranteed delivery) are validly withdrawn prior to the Withdrawal Deadline or the Offer is terminated at or prior to the Expiration Time. In addition to the Tender Consideration, each Holder of Notes purchased in the Offer will also receive Accrued Interest. For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including any such Notes tendered through the guaranteed delivery procedures described herein. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date, which is currently expected to be March 3, 2021, three business days after the Expiration Time.

For purposes of the Offer, Notes validly withdrawn will thereafter be deemed not validly tendered. Only Notes that are validly tendered in accordance with the procedures set forth herein at or before the Expiration Time, or in accordance with guaranteed delivery procedures will, upon the terms and subject to the conditions hereof, be eligible for acceptance by the Company. If so accepted, payment will be made therefor on the Settlement Date or in the case of accepted Notes delivered pursuant to the guaranteed delivery procedures, payment will be made on the Guaranteed Delivery Settlement Date. No such payments will be made with respect to the Notes if the Offer is terminated. All conditions to the Offer, if any Notes are to be accepted for purchase promptly after the Expiration Time, will be either satisfied or waived by the Company prior to or concurrently with the expiration of the Offer at the Expiration Time.

Except to the extent required by applicable law or as provided below, Notes may only be withdrawn in accordance with the procedures specified under “—Withdrawal of Tenders” prior to the Withdrawal Deadline. In the event of a termination of the Offer, all Notes tendered pursuant to the Offer will be promptly returned to the tendering Holders. The Company and/or its affiliates may seek to acquire any Notes that remain outstanding following termination or expiration of the Offer through open market purchases, privately negotiated transactions, tender offers, exchange offers, by redemption under the terms of the Indenture or otherwise, upon such terms and at such prices as the Company or such affiliates may determine, which may be more or less than the price to be paid pursuant to the Offer and could be for cash or other consideration.

The Company’s obligation to accept and pay for Notes validly tendered pursuant to the Offer is conditioned upon satisfaction of certain conditions set forth in “—Conditions of the Offer.” Subject to applicable securities laws and the terms set forth in the Offer, the Company has the right, (i) to waive or modify in whole or in part any and all conditions to the Offer, including the Financing Condition, (ii) to extend the Withdrawal Deadline or Expiration Time, (iii) to modify or terminate the Offer or (iv) otherwise amend the Offer in any respect. The rights reserved by the Company in this paragraph are in addition to its rights to terminate the Offer described in “— Conditions of the Offer.”

Any amendment to the Offer will apply to all Notes tendered in the Offer. Any extension or amendment of the Withdrawal Deadline or the Expiration Time will be followed as promptly as practicable by public announcement thereof, the announcement in the case of an extension of the Expiration Time to be issued no later than 9:00 a.m., New York City time, on the next Business Day after the previously-scheduled Expiration Time.

If the Company makes a material change in the terms of the Offer or the information concerning such Offer, it will disseminate additional offering materials and extend such Offer to the extent required by law.

### **Tender Consideration**

Holders who (i) validly tender Notes at or prior to the Expiration Time or (ii) deliver a properly completed and duly executed Notice of Guaranteed Delivery and all other required documents at or prior to the applicable Expiration Time and tender their Notes at or prior to the Guaranteed Delivery Time, and whose Notes are accepted for purchase by us, will be entitled to receive the Tender Consideration of \$1,029.38 per \$1,000 principal amount of Notes validly tendered and not validly withdrawn and accepted for purchase by the Company, plus Accrued Interest on such Notes.

### **Accrued Interest**

An amount equal to the accrued and unpaid interest on any Notes validly tendered and not validly withdrawn and accepted for purchase by the Company will also be paid as consideration in respect of all Notes validly tendered and delivered and accepted for purchase by the Company pursuant to the Offer. The Accrued Interest will be calculated from, and include, the immediately preceding interest payment date for the Notes to, but exclude, the Settlement Date.

The Company will calculate the Accrued Interest in respect of all Notes, and its calculation will be final and binding, absent manifest error.

### **Conditions of the Offer**

Notwithstanding any other provision of the Offer, and in addition to (and not in limitation of) the right, subject to applicable law, of the Company to terminate, extend or amend the Offer, in its sole discretion, as the case may be, the Company will not be obligated to accept for purchase, and pay for, validly tendered and not validly withdrawn Notes pursuant to the Offer if the Financing Condition or the General Conditions have not been satisfied or, where possible, waived with respect to the Offer. The Offer is not conditioned upon any minimum principal amount of the Notes being tendered.

#### ***Financing Condition***

The Financing Condition must be satisfied or waived for the Offer to be consummated. This means that our obligation to accept for purchase and to pay for Notes validly tendered and not validly withdrawn pursuant to the Offer is subject to the receipt of net proceeds from the proposed Debt Financing in an amount that, in the Company's sole discretion, together with cash on hand, is sufficient to effect the repurchase of the Notes validly tendered and not validly withdrawn and accepted for purchase pursuant to the Offer, including the payment of any premiums, Accrued Interest and costs and expenses incurred in connection therewith, or the waiver of such condition.

#### ***General Conditions***

For purposes of the foregoing provisions, all of the “**General Conditions**” set forth below will be deemed to have been satisfied at the Expiration Time, unless any of the following conditions shall have occurred and be continuing after the date of this Offer to Purchase and before such Expiration Time:

- (i) any general suspension of trading in, or limitation on prices for, securities in the United States securities or financial markets, (ii) a material impairment in the trading market for debt securities, (iii) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States, (iv) any limitation (whether or not mandatory) by any governmental authority on, or other event having a reasonable likelihood of affecting, the extension of credit by banks or other lending institutions in the United States, (v) any attack on, outbreak or escalation of hostilities or acts of terrorism involving the United States that would reasonably be expected to have a materially disproportionate effect on the business, operations, condition or prospects of the Company (or its subsidiaries), in each case relative to other companies in the same industry or (vi) any significant adverse change in the United States securities or financial markets generally or, in the case of any of the foregoing existing on the date hereof, a material acceleration or worsening thereof;
- the existence of an order, statute, rule, regulation, executive order, stay, decree, judgment or injunction that shall have been enacted, entered, issued, promulgated, enforced or deemed applicable by any court or governmental, regulatory or administrative agency or instrumentality that, in the reasonable judgment of the Company, would or would be reasonably likely to prohibit, prevent or materially restrict or delay consummation of the Offer, as the case may be, or that is, or is reasonably likely to be, materially adverse to the business, operations, properties, condition (financial or otherwise), assets, liabilities or prospects of the Company or its subsidiaries;
- any instituted or pending action or proceeding before or by any court or governmental, regulatory or administrative agency or instrumentality, or by any other person, that challenges the making of the Offer, as the case may be, or is reasonably likely to directly or indirectly prohibit, prevent, restrict or delay the consummation of the Offer or otherwise adversely affects the Offer in any material manner;
- there exists any other actual or threatened legal impediment to the Offer, as the case may be, or any other circumstances that would materially adversely affect the transactions contemplated by the Offer or the contemplated benefits of such Offer to the Company or its subsidiaries;
- an event or events or the likely occurrence of an event or events that would or might reasonably be expected to prohibit, restrict or delay the consummation of the Offer, as the case may be, or materially impair the contemplated benefits of the Offer;
- the Trustee objects in any respect to, or takes any action that would be reasonably likely to materially and adversely affect, the consummation of the Offer, as the case may be, or takes any action that challenges the validity or effectiveness of the procedures used by the Company with respect to the making of the Offer or the acceptance of the Notes. or
- there shall be any change or changes that have occurred or are threatened in the business, condition (financial or other), assets, income, operations, prospects, policies, or debt or stock ownership of us or our subsidiaries that, in our judgment, is or could be material to us or our subsidiaries or otherwise make it inadvisable to proceed with the Offer.

The conditions described above are solely for the benefit of the Company and may be asserted by the Company regardless of the circumstances giving rise to any such condition, and, where possible, may be waived by the Company, in whole or in part, at any time and from time to time before the Settlement Date. The failure at any time by the Company to exercise any of its rights will not be deemed a waiver of any other right, and each right will be deemed an ongoing right which may be asserted at any time and from time to time.

If the Company terminates the Offer, the Company will give written notice thereof to the Information and Tender Agent, and all of the Notes theretofore tendered pursuant to the Offer and not validly withdrawn will be returned promptly to the tendering Holders. See “—Extension, Amendment and Termination” below.

### **Procedures for Tendering Notes**

The Company, in its sole discretion, will determine all questions as to the form of documents and validity, eligibility (including time of receipt), acceptance for payment and withdrawal of tendered Notes, and such determination will be final and binding. The Company reserves the absolute right to reject any and all tenders of Notes that it determines are not in proper form or the acceptance for payment of or payment for which may, in the opinion of its counsel, be unlawful. The Company also reserves the absolute right in its sole discretion to waive any of the conditions of the Offer or any defect or irregularity in the tender of Notes by any particular Holder, whether or not similar conditions, defects or irregularities are waived in the case of other Holders, and the Company’s interpretation of the terms and conditions of the Offer will be final and binding. Any defect, irregularity or delay must be cured within such time (if any) as the Company determines, unless waived by it. Tenders of Notes will be deemed not to have been made until such defects, irregularities or delays have been so cured or waived. Neither the Company, the Dealer Manager, the Information and Tender Agent, the Trustee or any other person, will be under any duty to give notification of any defects or irregularities in tenders or withdrawals or any notices of withdrawal or will incur any liability for failure to give any such notification.

#### ***How to Tender Notes; Book-Entry Delivery of Notes; Tender through ATOP***

The Information and Tender Agent will establish accounts with respect to the Notes at DTC for purposes of the Offer. The Information and Tender Agent and DTC have confirmed that the Offer is eligible for ATOP, whereby a financial institution that is a participant in DTC’s system may tender Notes by making book-entry delivery of Notes by causing DTC to transfer Notes into an ATOP account.

To effectively tender Notes, Holders should, through a DTC participant, transmit their acceptance through ATOP, and DTC will then edit and verify the acceptance and send an Agent’s Message to the Information and Tender Agent for its acceptance. The term “**Agent’s Message**” means a message, transmitted by DTC to, and received by, the Information and Tender Agent and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the tendering participant stating that such participant has accepted the Offer and agrees to be bound by the terms, conditions and provisions of such Offer. An Agent’s Message and any other required documents must be transmitted to, and received by, the Information and Tender Agent before the Expiration Time. Delivery of the Agent’s Message by DTC will satisfy the terms of the Offer. By tendering its Notes, a Holder will be deemed to have delivered a binding letter of transmittal making the representations, warranties and undertakings specified below under “—Representations, Warranties and Undertakings; Acceptance by the Company Constitutes an Agreement.” There is no letter of transmittal in connection with the Offer.

The delivery and surrender of the Notes is not effective, and the risk of loss of the Notes does not pass to the Information and Tender Agent, until receipt by the Information and Tender Agent of timely confirmation of a book-entry transfer of such Notes into the Information and Tender Agent’s account at DTC and a properly transmitted Agent’s Message, together with all accompanying evidences of authority and any other required documents in a form satisfactory to the Company. The method of delivery of the Notes and all other required documents, including delivery through DTC and acceptance of an Agent’s Message transmitted through ATOP, is at the option and risk of the tendering Holder. In all cases, sufficient time should be allowed for such documents to reach the Information and Tender Agent prior to the Expiration Time in order to be eligible to receive the Tender Consideration. Any charges, costs and expenses charged to Holders or any intermediary shall be borne by such Holders.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold Notes whether such intermediary would require receipt of instructions to participate in, or revoke their instruction to

participate in, the Offer before the deadlines specified in this Offer to Purchase. The deadlines set by DTC for the submission and withdrawal of tender instructions will be earlier than the relevant deadlines specified in this Offer to Purchase.

Notes may be tendered and accepted for payment only in principal amounts equal to minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Notes must continue to hold Notes in at least the Minimum Authorized Denomination of \$2,000 principal amount. The Agent's Message and any Notice of Guaranteed Delivery should be sent to the Information and Tender Agent and not to the Company, the Dealer Manager or the Trustee. The Information and Tender Agent will not accept any materials other than the Agent's Message and, if applicable, the Notice of Guaranteed Delivery.

### ***Guaranteed Delivery Procedure for Notes***

If a Holder chooses to tender Notes in the Offer and the Holder's Notes are not immediately available or the Holder cannot deliver the Notes to the Information and Tender Agent prior to the Expiration Time, or the Holder cannot complete the procedures for book-entry transfer on a timely basis or if the time will not permit all required documents to reach the Information and Tender Agent before the Expiration Time, such tender may still be effected if all of the following conditions are met:

- the tender is made by or through an Eligible Institution (as defined below);
- a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form provided by the Company, attached as Schedule A hereto, is received by the Information and Tender Agent, as provided below, before the Expiration Time; and
- a book-entry confirmation, together with an Agent's Message, are received by the Information and Tender Agent no later than two Business Days after the Expiration Time.

The Notice of Guaranteed Delivery may be transmitted in accordance with the ATOP procedures of DTC. If the ATOP procedures are used, the DTC participant need not complete and physically deliver the Notice of Guaranteed Delivery. However, the DTC participant will be bound by the terms of the Offer, including the Notice of Guaranteed Delivery. The Settlement Date for Notes tendered using guaranteed delivery procedures is expected to be March 3, 2021.

**"Eligible Institution"** means a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, a commercial bank or trust company having an office or correspondent in the United States or an "Eligible Guarantor Institution" within the meaning of Rule 17Ad-15(a)(2) under the Exchange Act. In the Offer Documents, the term "Business Day" means any day, other than Saturday, Sunday or a federal holiday.

Foreign Holders that want to tender using a guaranteed delivery process should contact their brokers or the Information and Tender Agent.

FOR THE AVOIDANCE OF DOUBT, THE DELIVERY OF NOTES TENDERED BY GUARANTEED DELIVERY PROCEDURES MUST BE MADE NO LATER THAN 5:00 P.M. ON MARCH 2, 2021, WHICH IS TWO BUSINESS DAYS FOLLOWING THE EXPIRATION TIME; PROVIDED, THAT ACCRUED INTEREST WILL CEASE TO ACCRUE ON THE SETTLEMENT DATE FOR ALL NOTES ACCEPTED IN THE OFFER, INCLUDING THOSE TENDERED BY THE GUARANTEED DELIVERY PROCEDURES SET FORTH ABOVE AND UNDER NO CIRCUMSTANCES WILL ADDITIONAL INTEREST ON THE NOTES CONSIDERATION BE PAID BY THE COMPANY AFTER THE SETTLEMENT DATE BY REASON OF ANY DELAY ON THE PART OF THE GUARANTEED DELIVERY PROCEDURES.

SUBJECT TO THE SECOND PRECEDING PARAGRAPH, THE NOTICE OF GUARANTEED DELIVERY SHOULD BE SENT ONLY TO THE TENDER AGENT, AND NOT TO THE COMPANY, THE DEALER MANAGER, THE TRUSTEE, THE INFORMATION AGENT OR TO ANY BOOK-ENTRY TRANSFER FACILITY.

THE METHOD OF DELIVERY OF THE NOTICE OF GUARANTEED DELIVERY AND ALL OTHER REQUIRED DOCUMENTS TO THE TENDER AGENT INCLUDING DELIVERY THROUGH DTC AND ANY TRANSMISSION OF AN AGENT'S MESSAGE THROUGH ATOP IS AT THE ELECTION AND RISK OF THE HOLDER TENDERING NOTES. DELIVERY WILL BE DEEMED MADE ONLY WHEN ACTUALLY RECEIVED BY THE TENDER AGENT. IF SUCH DELIVERY IS BY MAIL, IT IS SUGGESTED THAT THE HOLDER USE PROPERLY INSURED, REGISTERED MAIL.

WITH RETURN RECEIPT REQUESTED, AND THAT THE MAILING BE MADE SUFFICIENTLY IN ADVANCE OF THE EXPIRATION TIME TO PERMIT DELIVERY TO THE TENDER AGENT PRIOR TO SUCH DATE. NO ALTERNATIVE, CONDITIONAL OR CONTINGENT TENDERS OF NOTES WILL BE ACCEPTED.

### ***Backup Withholding***

To prevent U.S. federal income tax backup withholding, each tendering Holder of Notes that is a U.S. Holder (as defined herein) or an entity treated as a domestic partnership for U.S. federal income tax purposes must (1) provide such Holder's correct taxpayer identification number ("TIN") and certify that such Holder is not subject to U.S. federal income tax backup withholding by properly completing an Internal Revenue Service ("IRS") Form W-9, or (2) otherwise establish a basis for exemption from backup withholding. Each Holder that is a Non-U.S. Holder (as defined herein) or an entity treated as a non-U.S. partnership for U.S. federal income tax purposes must generally submit a properly completed IRS Form W-8 (generally IRS Form W-8BEN or IRS Form W-8BEN-E, or, in the case of a non-U.S. partnership, an IRS Form W-8IMY) to avoid backup withholding. IRS forms may be obtained at the IRS website at [www.irs.gov](http://www.irs.gov). See "Certain United States Federal Income Tax Consequences."

**The Notice of Guaranteed Delivery should be sent to the Information and Tender Agent and not to the Company, the Dealer Manager or the Trustee.**

### ***Representations, Warranties and Undertakings; Acceptance by the Company Constitutes an Agreement***

By tendering your Notes through DTC and delivering an Agent's Message through ATOP or Notice of Guaranteed Delivery, you will be deemed to have delivered a binding letter of transmittal agreeing with, acknowledging, representing, warranting and undertaking to the Company, the Information and Tender Agent and the Dealer Manager substantially the following, on each of the Expiration Time and the Settlement Date (if you are unable to give these agreements, acknowledgements, representations, warranties and undertakings, you should contact the Dealer Manager or the Information and Tender Agent immediately):

(1) Subject to and effective upon acceptance for purchase of, and payment for, the Notes tendered therewith, you irrevocably constitute and appoint the Information and Tender Agent as your true and lawful agent and attorney-in-fact (with full knowledge that the Information and Tender Agent also acts as the agent of the Company) with respect to such tendered Notes, with full powers of substitution, resubstitution and revocation (such power of attorney being deemed to be an irrevocable power coupled with an interest) to (a) transfer ownership of such Notes on the account books maintained by DTC, together with all accompanying evidences of transfer and authenticity, to, or upon the order of, the Company, (b) present such Notes for transfer of ownership on the relevant security register, and (c) receive all benefits or otherwise exercise all rights of beneficial ownership of such Notes (except that the Information and Tender Agent will have no rights to, or control over, funds from the Company, except as agent of you and any other tendering Holders, for the Tender Consideration, plus any Accrued Interest, of

Notes tendered pursuant to the Offer, as determined pursuant to the terms of this Offer to Purchase, for any tendered Notes that are purchased by the Company).

(2) You understand that tenders of Notes may be withdrawn by submission of a properly transmitted “Request Message” through ATOP to the Information and Tender Agent prior to the Withdrawal Deadline. In the event of a termination of the Offer, the Notes tendered pursuant to the Offer will be credited to the account maintained at DTC from which such Notes were delivered.

(3) You understand that tenders of Notes pursuant to any of the procedures described in this Offer to Purchase and acceptance of such Notes by the Company will constitute a binding agreement between you and the Company, upon the terms and subject to the conditions of this Offer to Purchase. You understand that validly tendered Notes (or defectively tendered Notes with respect to which the Company has or has caused such defect to be waived) will be deemed to have been accepted by the Company, if, as and when the Company gives oral or written notice thereof to the Information and Tender Agent.

(4) You have full power and authority to tender, sell, assign and transfer the Notes tendered and that when such tendered Notes are accepted for purchase and payment by the Company, the Company will acquire good title thereto, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim or right and together with all rights attached thereto. You will, upon request, execute and deliver any additional documents deemed by the Information and Tender Agent or by the Company to be necessary or desirable to complete the sale, assignment, transfer and cancellation of the Notes tendered or to evidence such power and authority.

(5) You have received this Offer to Purchase, and have reviewed and accepted the offer and distribution restrictions, terms, conditions, risk factors and other considerations of the Offer, all as described in this Offer to Purchase, and have undertaken an appropriate analysis of the implications of the Offer without reliance on the Company, the Dealer Manager, the Information and Tender Agent. All authority conferred or agreed to be conferred shall not be affected by, and shall survive, your death or incapacity, and any of your obligations hereunder shall be binding upon your heirs, executors, administrators, trustees in bankruptcy, personal and legal representatives, successors and assigns.

(6) You understand that the Company will pay the Tender Consideration, and the Accrued Interest, such Accrued Interest consisting of accrued and unpaid interest from, and including, the last interest payment date for the Notes to, but not including, the Settlement Date, with respect to the Notes that are accepted for purchase.

(7) You recognize that under certain circumstances set forth in this Offer to Purchase, the Company may terminate or amend the Offer or may postpone the acceptance for payment of, or the payment for, the Notes tendered or may not be required to purchase any of the Notes tendered.

(8) You are not a person to whom it is unlawful to make an invitation pursuant to the Offer under applicable securities laws.

(9) You understand that the receipt of an Agent’s Message by DTC will constitute instructions to debit the securities account of the relevant direct participant on the Settlement Date in respect of all of the Notes that the relevant Holder has tendered in the Offer and that are accepted for purchase by the Company, upon receipt by DTC or of an instruction from the Information and Tender Agent to receive such Notes for the account of the Company and against credit of the relevant amount in cash from the Company equal to the Tender Consideration and any Accrued Interest for such Notes, subject to the automatic revocation of those instructions on the date of any termination of the Offer (including where such Notes are not accepted for purchase by the Company) or the valid withdrawal of such tenders in the limited circumstances in which such withdrawal is permitted as set out in this Offer to Purchase.

(10) You will be deemed to agree that the delivery and surrender of any Notes is not effective, and the risk of loss of the Notes does not pass to the Information and Tender Agent, until receipt by the Information and Tender Agent of timely confirmation of book-entry transfer of such Notes into the Information and Tender Agent's account at DTC pursuant to the procedures set forth in this Offer to Purchase and an Agent's Message or properly completed and duly executed Notice of Guaranteed Delivery, together with all accompanying evidences of authority and any other required documents in form satisfactory to the Company. All questions as to form of all documents and the validity (including time of receipt) and acceptance of tenders and withdrawals of Notes will be determined by the Company, in its sole discretion, which determination shall be final and binding.

(11) You request that any Notes representing principal amounts not tendered or not accepted for purchase be issued in the name of, and delivered by credit to, the account of DTC.

(12) You have observed (and will observe) the laws of all relevant jurisdictions, obtained all requisite governmental, exchange control or other required consents, complied with all requisite formalities and paid (or will pay) any issue, transfer or other taxes or requisite payments due from you in each respect in connection with any offer or acceptance in any jurisdiction and that you have not taken or omitted to take any action in breach of the representations or which will or may result in the Company or any other person acting in breach of the legal or regulatory requirements of any such jurisdiction in connection with the Offer or tender of Notes in connection therewith.

(13) You acknowledge that none of the Company, the Dealer Manager, the Information and Tender Agent or the Trustee is making any recommendation as to whether or not you should tender Notes in response to the Offer.

(14) You acknowledge that effective upon the acceptance for purchase of, and payment for, the principal amount of Notes tendered in accordance with the terms and subject to the conditions of the Offer, you will have agreed to (a) irrevocably sell, assign and transfer to the Company, or upon the Company's order, all right, title and interest in and to all of the Notes tendered and accepted for purchase pursuant to the terms of the Offer, (b) waive any and all other rights with respect to such Notes (including, without limitation, any existing or past defaults and their consequences in respect of such Notes) and (c) to release and discharge the Company from any and all claims you may have now, or may have in the future, arising out of, or related to, such Notes, including, without limitation, any claims that you are entitled to receive additional principal or interest payments with respect to such Notes or to participate in any repurchase, redemption or defeasance of such Notes.

Your custodian or nominee, by delivering, or causing to be delivered, the tendered Notes and the Agent's Message or Notice of Guaranteed Delivery to the Information and Tender Agent is representing and warranting that you, as owner of such Notes, have represented, warranted and agreed to each of the above. If you are unable to give the foregoing representations, warranties and undertakings, you should contact the Dealer Manager or the Information and Tender Agent.

The acceptance for payment by the Company of Notes tendered under the Offer will constitute a binding agreement between you and the Company upon the terms and conditions of the Offer as described in this Offer to Purchase.

### **Acceptance for Payment and Payment for the Notes**

Upon the terms and subject to the conditions of the Offer, the Company will (a) accept for purchase Notes validly tendered (or defectively tendered, if in its sole discretion the Company waives such defect) and not validly withdrawn, (b) deposit with DTC, on the Settlement Date, the Tender Consideration, plus an amount equal to the Accrued Interest thereon, for Notes that are validly tendered in the Offer and delivered at or prior to the Expiration Time and (c) pay on the Guaranteed Delivery Settlement Date, the Tender Consideration for such accepted Notes delivered pursuant to the guaranteed delivery procedures set forth below, plus an amount equal to the Accrued Interest

thereon. For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including any such Notes tendered through the guaranteed delivery procedures described herein. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date, which is currently expected to be March 3, 2021, three business days after the Expiration Time.

For purposes of the Offer, the Company will be deemed to have accepted for purchase validly tendered Notes (or defectively tendered Notes with respect to which the Company has waived such defect) if, as and when the Company gives oral (promptly confirmed in writing) or written notice thereof to the Information and Tender Agent. With respect to tendered Notes that are to be returned to Holders, such Notes will be credited to the account maintained at DTC from which such Notes were delivered promptly following the Expiration Time or termination of the Offer.

Upon the terms and subject to the conditions of the Offer, the Company will accept for purchase, and pay for, Notes validly tendered pursuant to the Offer and not validly withdrawn upon the satisfaction or, where possible, waiver of the Financing Conditions and General Conditions specified under “—Conditions of the Offer.” The Company will pay for all Notes accepted for purchase on the Settlement Date or the Guaranteed Delivery Settlement Date, as the case may be. In all cases, payment for Notes accepted for purchase pursuant to the Offer will be made only after confirmation of book-entry transfer thereof.

If, for any reason (including if the Company chooses to do so), acceptance for purchase of, or payment for, validly tendered Notes pursuant to the Offer is delayed, or the Company is unable to accept for purchase or to pay for validly tendered Notes pursuant to the Offer, then the Information and Tender Agent may, nevertheless, on behalf of the Company, retain the tendered Notes (which may not then be withdrawn), without prejudice to the Company’s rights as described under “—Extension, Amendment and Termination” and “—Conditions of the Offer” above and “—Withdrawal of Tenders” below, but subject to Rule 14e-1(c) under the Exchange Act, which requires that the Company pays the applicable consideration offered or return the Notes tendered promptly after the termination or withdrawal of the Offer.

If any tendered Notes are not accepted for payment for any reason pursuant to the terms and conditions of this Offer to Purchase, such Notes will be credited to the account maintained at DTC, from which such Notes were delivered promptly following the Expiration Time or termination of the Offer.

Holders of Notes tendered and accepted for payment pursuant to the Offer will be entitled to any Accrued Interest, consisting of accrued and unpaid interest on their Notes from, and including, the last interest payment date to, but excluding, the Settlement Date, which will be payable on the Settlement Date. Under no circumstances will any additional interest be payable because of any delay by DTC in the transmission of funds to the Holders of purchased Notes, on the part of the guaranteed delivery procedures or otherwise.

The Company may transfer or assign, in whole or from time to time in part, to one or more of its affiliates or any third-party the right to purchase all or any of the Notes tendered pursuant to the Offer, but any such transfer or assignment will not relieve the Company of its obligations under the Offer and will in no way prejudice the rights of tendering Holders to receive payment for Notes validly tendered and not validly withdrawn and accepted for payment pursuant to the Offer.

A press release announcing the amount of Notes to be accepted for purchase pursuant to the Offer will be published as soon as practicable following the Expiration Time.

**All Notes not accepted for purchase will be promptly returned to Holders.**

## **Settlement Date**

Subject to the terms and conditions of the Offer, the Company expects to accept for purchase on the Acceptance Date all of the Notes that are validly tendered at or prior to the Expiration Time. With respect to Notes accepted for purchase on the Acceptance Date, if any, the Holders thereof will receive payment of the Notes Consideration for such accepted Notes on the Settlement Date, which date will be the date on or promptly after the Acceptance Date. With respect to accepted Notes delivered pursuant to the guaranteed delivery procedures described below, the Holders thereof will receive payment of the Notes Consideration for such Notes together with an amount equal to the Accrued Interest thereon, on the Guaranteed Delivery Settlement Date. For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including any such Notes tendered through the guaranteed delivery procedures described herein. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date, which is currently expected to be March 3, 2021, three business days after the Expiration Time. Under no circumstances will any interest on the Notes Consideration be payable because of any delay in the transmission of funds to Holders by DTC.

## **Withdrawal of Tenders**

Tenders of Notes may be validly withdrawn at or prior to the Withdrawal Deadline but may not be validly withdrawn after such time, other than as set forth below or to the extent required by applicable law.

If the Offer is extended, the Withdrawal Deadline will be extended to the earlier of (i) the Expiration Time (as extended) and (ii) the tenth Business Day after the Commencement Date. The Notes may also be validly withdrawn in the event the Offer has not been consummated within sixty Business Days after the Commencement Date.

For a withdrawal of tendered Notes to be effective, a properly transmitted “Request Message” through ATOP must be received by the Information and Tender Agent at or prior to the Withdrawal Deadline. Any such notice of withdrawal must:

- specify the name of the participant in the book-entry transfer facility whose name appears on the security position listing as the owner of such Notes;
- contain the description of the Notes to be withdrawn and the aggregate principal amount represented by such Notes; and
- specify the name and number of the account at DTC to be credited with the withdrawn Notes. In addition, the Holder must otherwise comply with DTC procedures.

If you tendered your Notes through a custodian or nominee and wish to withdraw your Notes, you will need to make arrangements for withdrawal with your custodian or nominee. Your ability to withdraw the tender of your Notes will depend upon the terms of the arrangements you have made with your custodian or nominee and, if your custodian or nominee is not the direct participant of DTC tendering those Notes, the arrangements between your custodian or nominee and such direct participant of DTC, including any arrangements involving intermediaries between your custodian or nominee and such direct participant of DTC.

Through DTC, the Information and Tender Agent will return to tendering Holders all Notes in respect of which it has received valid withdrawal instructions at or prior to the Withdrawal Deadline promptly after it receives such instructions.

Withdrawal of Notes may only be accomplished in accordance with the foregoing procedures.

Any permitted withdrawal of Notes may not be rescinded. Any Notes validly withdrawn will thereafter be deemed not validly tendered for purposes of the Offer; provided, however, that withdrawn Notes may be re-tendered by again following one of the appropriate procedures described herein at any time at or prior to the Expiration Time.

If the Company extends the Offer or is delayed in its acceptance for purchase of Notes or is unable to purchase Notes pursuant to the Offer for any reason, then, without prejudice to the rights of the Company hereunder, tendered Notes may be retained by the Information and Tender Agent on behalf of the Company and may not be withdrawn (subject to Rule 14e-1(c) under the Exchange Act, which requires that an offeror pay the consideration offered or return the securities deposited by or on behalf of the investor promptly after the termination or withdrawal of a tender offer), except as otherwise provided in this section.

**All questions as to the validity, form and eligibility (including time of receipt) of notices of withdrawal will be determined by the Company, in its sole discretion (and this determination shall be final and binding). None of the Company, the Dealer Manager, the Information and Tender Agent, the Trustee or any other person will be under any duty to give notification of any defects or irregularities in any notice of withdrawal, or incur any liability for failure to give any such notification.**

### **Extension, Amendment and Termination**

The Company may, in its sole discretion, extend the Withdrawal Deadline or the Expiration Time of the Offer for any purpose, including to permit the satisfaction or, where possible, waiver of the Financing Condition or the General Conditions of the Offer.

Any required announcements relating to the extension, amendment or termination of the Offer, or the Company's acceptance for payment of the Notes, shall be done as soon as practicable, and in the case of an extension of the Expiration Time, no later than 9:00 a.m., New York City time, on the next Business Day after the previously-scheduled Expiration Time. Announcements will be published by means of a news release via a press release on a widely disseminated news service and delivery of notices to DTC (with a copy to the Trustee) for communication to persons shown in the records of DTC as direct participants holding interests in the Notes, and, in certain cases, filed with the SEC under cover of Form 8-K.

All references in this Offer to Purchase to the Withdrawal Deadline or Expiration Time of the Offer refer to such Withdrawal Deadline or Expiration Time, as such date may be extended or terminated.

The Company expressly reserves the right, subject to applicable law, to:

- delay accepting the Notes, extend the Withdrawal Deadline or Expiration Time or terminate the Offer, at any time and not accept the Notes; and
- amend, modify or waive at any time, or from time to time, the terms of the Offer in any respect, including, by waiving, where possible, any conditions to consummation of the Offer.

If the Company exercises any such right with respect to the Notes, it will give written notice thereof to the Information and Tender Agent and the Trustee and will make a public announcement thereof as promptly as practicable and, in the case of an extension of the Expiration Time, no later than 9:00 a.m., New York City time, on the next Business Day after the previously-scheduled Expiration Time. In the case of a termination, all Notes theretofore tendered pursuant to the Offer will be returned promptly to the tendering Holders thereof.

The minimum period during which the Offer will remain open following material changes in the terms of the Offer or in the information concerning the Offer will depend upon the facts and circumstances of such change, including the materiality of the changes. If any of the terms of the Offer are amended in a manner determined by the

Company to constitute a material change adversely affecting any Holder, the Company (i) may extend the Offer for a period that it deems appropriate, subject to applicable law, depending upon the significance of the amendment and the manner of disclosure to Holders, if the Offer would otherwise expire during such period, and (ii) subject to applicable law, may extend withdrawal rights for a period that it deems appropriate to allow the relevant tendering Holders a reasonable opportunity to respond to such amendment.

In the event of any change to the Tender Consideration or any other material change to the Offer, the Company will publish an announcement by means of a news release via a press release on a widely disseminated news service, and will deliver notices to DTC for communication to persons shown in the records of DTC as direct participants holding interests in the Notes (with a copy to the Trustee) at least five Business Days prior to the expiration of the Offer and at least three Business Days prior to expiration of any other material change to the Offer, in each case at or prior to 9:00 a.m., New York City time, on the first day of such five or three Business Day period, as applicable, and the Company will describe any change in the consideration being offered in a report on Form 8-K filed with the SEC prior to 12:00 noon, New York City time, on the first day of the aforementioned five Business Day period.

## **MARKET AND TRADING INFORMATION**

There is no established reporting system or trading market for trading in the Notes. To the extent that the Notes are traded, prices of the Notes may fluctuate greatly depending on the trading volume and the balance between buy and sell orders. To our knowledge, the Notes are traded infrequently in transactions arranged through brokers, and reliable market quotations for the Notes are not available.

## **SUBSEQUENT REDEMPTION OF THE NOTES**

We reserve the right, in our sole discretion, from time to time after the Offer, to purchase any Notes that are not tendered or accepted in the Offer through open market or privately negotiated transactions, one or more additional tender or exchange offers, by redemption under the terms of the Indenture or otherwise, in each case upon terms that may or may not differ materially from the terms of the Offer, although we have no legal obligation to do so. Subject to the satisfaction or waiver of certain conditions, including the Financing Condition, the Company currently intends to, at its sole discretion, redeem any Notes that are not tendered in the Offer in accordance with the terms of the Indenture.

The Notes are redeemable by us, in whole or in part, at redemption prices specified in the Indenture for the Notes (and are currently callable at a redemption price of 102.938% of the principal amount redeemed, and decreasing over time to 100% of the principal amount redeemed), plus accrued and unpaid interest to the applicable redemption date. If less than 100% of the outstanding Notes are tendered and accepted for purchase pursuant to the Offer, we expect, but are not obligated, to redeem the Notes upon the terms and conditions set forth in the Indenture and satisfy and discharge our obligations under the Indenture pursuant to the terms of the Indenture. Notes not purchased will remain outstanding as our obligations. This Offer to Purchase does not constitute a notice of redemption or an obligation to issue a notice of redemption or satisfy or discharge the Indenture.

After the Expiration Time, we and our affiliates may, from time to time, as permitted by applicable law, the Indenture and the agreements governing our then existing debt, purchase the Notes, other than pursuant to the Offer, through redemptions, open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, upon the terms and at the prices we may determine at that time (or as may be provided for in the Indenture), which may be materially different from the terms and prices offered in connection with the Offer. There can be no assurance as to which, if any, of these alternatives or combinations thereof we will choose to pursue in the future.

## CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following is a general discussion of certain U.S. federal income tax consequences of the Offer that may be relevant to a beneficial owner of Notes. The following discussion is based upon the Internal Revenue Code of 1986, as amended (the “**Code**”), and regulations, rulings and judicial decisions in effect as of the date hereof, and such authorities may be repealed, revoked or modified (possibly with retroactive effect) so as to result in U.S. federal income tax consequences different from those discussed herein. This discussion assumes that the Notes are held as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment). We have not obtained, and do not intend to obtain, a ruling from the IRS with respect to the U.S. federal income tax consequences described herein. No assurance can be given that the IRS will agree with the tax consequences described in this summary, or that a court would not sustain any challenge by the IRS.

The discussion is general in nature and does not discuss all of the aspects of U.S. federal income taxation that may be relevant to a beneficial owner in light of such beneficial owner’s particular investment or other circumstances. This summary also does not address special rules that may apply to special classes of investors, such as entities classified as partnerships or partners therein, U.S. expatriates, dealers in securities or currencies, banks, financial institutions, insurance companies, tax-exempt organizations, individual retirement accounts or other tax-deferred accounts, persons holding Notes as a position in a “straddle,” conversion transaction, or other risk reduction transaction, or as part of a “synthetic security” or other integrated financial transaction, traders in securities that elect to use a mark-to-market method of tax accounting for their securities holdings, government agencies or instrumentalities, hybrid entities, real estate investment trusts, corporations that accumulate earnings to avoid U.S. federal income tax, controlled foreign corporations, passive foreign investment companies and regulated investment companies and shareholders of such corporations, or U.S. Holders (as defined below) that have a functional currency other than the U.S. dollar. In addition, this discussion does not address the alternative minimum tax or other aspects of U.S. federal income taxation that may be relevant to an investor in light of the investor’s particular circumstances. This summary does not address U.S. federal tax considerations other than income tax considerations (such as estate and gift tax considerations) or any state, local or foreign tax considerations.

For purposes of this discussion, a “**U.S. Holder**” is a beneficial owner of a Note that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation or entity treated as a corporation for U.S. federal income tax purposes that was created or organized under the laws of the United States, any state thereof, or the District of Columbia;
- an estate the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust, if a court within the United States can exercise primary supervision over the administration of the trust and one or more U.S. persons has authority to control all substantial decisions of the trust, or if the trust has a valid election in place to be treated as a U.S. person.

For purposes of this discussion, a “**Non-U.S. Holder**” is a beneficial owner of a Note that is not a U.S. Holder or an entity or arrangement treated as a partnership for U.S. federal income tax purposes.

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes invests in the Notes, the U.S. federal income tax treatment of a partner in the partnership will generally depend upon the status of the partner and the activities of the partner and the partnership. Entities or arrangements treated as partnerships investing

in the Notes (and partners in such partnerships) are urged to consult their own tax advisors about the U.S. federal income tax considerations relating to the Offer.

This discussion does not address the particular tax consequences applicable to investors that tender Notes pursuant to the Offer and that also purchase new notes in the Debt Financing. Such persons should consult their own tax advisors regarding the U.S. federal income tax consequences resulting from the combination of such tender and purchase.

THE DISCUSSION SET OUT BELOW IS INTENDED ONLY AS A SUMMARY OF THE MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES TO A BENEFICIAL OWNER OF THE NOTES. PERSONS CONSIDERING TENDERING THE NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS CONCERNING THE U.S. FEDERAL INCOME TAX CONSEQUENCES IN LIGHT OF THEIR PARTICULAR SITUATIONS, AS WELL AS ANY CONSEQUENCES ARISING UNDER THE LAWS OF ANY OTHER TAXING JURISDICTION. THE STATEMENTS OF U.S. FEDERAL INCOME TAX CONSIDERATIONS SET OUT BELOW ARE BASED ON THE LAWS AND REGULATIONS IN FORCE AND INTERPRETATIONS THEREOF AS OF THE DATE OF THIS STATEMENT AND ARE SUBJECT TO CHANGES OCCURRING AFTER THAT DATE.

### **Consequences to Tendering U.S. Holders**

*Sale of Notes Pursuant to the Offer.* Sales of Notes pursuant to the Offer by U.S. Holders will be taxable transactions for U.S. federal income tax purposes. Subject to the discussion of accrued interest and the market discount rules below, a U.S. Holder selling Notes pursuant to the Offer will generally recognize gain or loss in an amount equal to the difference between the amount received in exchange for the Notes pursuant to the Offer (other than amounts received attributable to accrued but unpaid interest) and the U.S. Holder's adjusted tax basis in the Notes at the time of sale. A U.S. Holder's adjusted tax basis in a Note generally will equal the amount paid therefor, increased by the amount of any market discount (as described below) previously taken into account by the U.S. Holder with respect to the Note and reduced by payments received on the Note other than stated interest payments, if any, and the amount of any amortizable bond premium (generally, the excess of a U.S. Holder's tax basis in a Note immediately after acquisition over the sum of all amounts payable on the Note after the purchase date other than stated interest) previously amortized by the U.S. Holder with respect to the Note. Except to the extent that any gain is recharacterized as ordinary income pursuant to the market discount rules discussed below, any such gain or loss will generally be capital gain or loss and generally will be long-term capital gain or loss if the U.S. Holder's holding period for the Notes on the date of sale was more than one year. Long-term capital gains of noncorporate U.S. Holders are generally eligible for reduced rates of taxation. The deductibility of capital losses is subject to certain limitations.

The receipt of accrued but unpaid interest by a U.S. Holder will be taxable as ordinary interest income to the extent such interest has not been previously included in income by such U.S. Holder.

In general, if a U.S. Holder acquired the Notes with market discount, any gain realized by a U.S. Holder on the sale of the Notes will be treated as ordinary income to the extent of the portion of the market discount that has accrued while the Notes were held by the U.S. Holder, unless the U.S. Holder has elected to include market discount in income currently as it accrues.

A Note generally will be considered to have been acquired with market discount if its stated principal amount exceeded its tax basis immediately after its acquisition by a U.S. Holder by at least more than a statutory de minimis amount. Market discount will be considered to accrue ratably during the period from the date of the U.S. Holder's acquisition of the Note to the maturity date of the Note, unless the U.S. Holder has made an election to accrue market discount on a constant yield basis. If a U.S. Holder has elected to include accrued market discount in income as it accrues, no additional market discount needs to be taken into account with respect to the sale of a Note pursuant to

the Offer. U.S. Holders are urged to consult their own tax advisors as to the portion of their gain, if any, that would be taxable as ordinary income under these provisions.

**Medicare Surtax.** Certain U.S. Holders that are individuals, trusts, or estates are required to pay a 3.8% surtax (the “Medicare surtax”) on the lesser of (1) the U.S. Holder’s “net investment income” for the taxable year, including interest and gain from the sale of certain debt instruments, which is not derived in the ordinary course of business, and (2) the excess of the U.S. Holder’s modified adjusted gross income for the taxable year over an applicable threshold. A U.S. Holder’s net investment income will generally include any income or gain recognized by such holder with respect to the Notes, unless such income or gain is derived in the ordinary course of the conduct of such U.S. Holder’s trade or business (other than a trade or business that consists of certain passive or trading activities).

**Information Reporting and Backup Withholding.** In general, the Company and certain intermediate payors may be required to report certain information to the IRS with respect to payments attributable to accrued but unpaid interest on, and payment of the proceeds of the sale of, a Note to a non-corporate U.S. Holder. In addition, a U.S. Holder may be subject to backup withholding (at the statutory rate of 28%) with respect to the receipt of the Tender Consideration and Accrued Interest if (i) the payee fails to furnish a TIN to the payor or to establish an exemption from backup withholding tax, (ii) the IRS notifies the payor that the TIN furnished by the payee is incorrect, (iii) there has been a notified payee underreporting described in section 3406(c) of the Code, or (iv) the payee has not certified under penalties of perjury that it has furnished a correct TIN and that the IRS has not notified the payee that it is subject to backup withholding tax under the Code. A U.S. Holder that does not provide its correct TIN may be subject to penalties imposed by the IRS. Backup withholding is not an additional tax. Any amount withheld under the backup withholding rules may be creditable against a U.S. Holder’s U.S. federal income tax liability, if any, and may entitle the U.S. Holder to a refund, provided that the requisite information is properly and timely provided to the IRS. U.S. Holders are encouraged to consult their own tax advisors as to their qualification for exemption from backup withholding and the procedure for obtaining such exemption.

### **Consequences to Tendering Non-U.S. Holders**

**Sale of Notes Pursuant to the Offer.** Except as described under “— Accrued Interest” and “— Information Reporting and Backup Withholding” below, a Non-U.S. Holder generally will not be subject to U.S. federal income or withholding tax on gain recognized on the disposition of Notes pursuant to the Offer, unless:

- such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of the sale and certain other conditions are satisfied; or
- the gain with respect to the Notes is effectively connected with the conduct by the Non-U.S. Holder of a trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment or fixed base maintained by the Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or lower treaty rate) on its U.S.-source gains, if any, from the sale or exchange of capital assets (including any gain from the sale of Notes pursuant to the Offer), which may be offset by its U.S.-source losses, if any, from the sale or exchange of capital assets recognized in the same taxable year by the Non-U.S. Holder (even though the individual is not considered a resident of the United States) provided the Non-U.S. Holder has timely filed U.S. federal income tax returns with respect to such losses. If the second exception applies, the Non-U.S. Holder generally will be required to pay U.S. federal income tax (but will not be subject to U.S. federal withholding tax) on the gain derived from the disposition on a net income basis generally in the same manner as if the Non-U.S. Holder were a U.S. Holder. In addition, a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may be subject to a branch profits tax of 30% (or lower treaty rate) on its earnings and profits for the tax year, subject to adjustments, that are effectively connected with the Non-U.S. Holder’s conduct of a trade or business in the United States. If a

Non-U.S. Holder is eligible for the benefits of an applicable tax treaty between the United States and its country of residence, any gain recognized on the disposition of Notes pursuant to the Offer will be subject to U.S. federal income tax in the manner specified by the treaty.

*Accrued Interest.* Subject to the discussions under “—Information Reporting and Backup Withholding” and “—FATCA” below, the amount received by a Non-U.S. Holder pursuant to the Offer that is attributable to accrued but unpaid interest generally will not be subject to U.S. federal income or withholding tax provided that:

- the Non-U.S. Holder does not actually or constructively own 10% or more of the total combined voting power of all series of the Company’s stock that are entitled to vote within the meaning of Section 871(h)(3) of the Code and the Treasury Regulations thereunder;
- the Non-U.S. Holder is neither (1) a controlled foreign corporation (within the meaning of the Code) that is related to us through actual or constructive stock ownership (as provided in section 864(d)(4) of the Code) nor (2) a bank (within the meaning of the Code) receiving interest on a loan entered into in the ordinary course of its trade or business;
- the interest is not effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States; and
- the Non-U.S. Holder certifies under penalties of perjury on IRS Form W-8BEN, IRS Form W-8BEN-E, any other applicable IRS Form W-8 or a suitable substitute form, that it is not a U.S. person, and otherwise properly completes the form (or a securities clearing organization, bank or other financial institution that holds customers’ securities in the ordinary course of its trade or business and holds the Notes on behalf of the Non-U.S. Holder certifies that such a statement has been received from the Non-U.S. Holder (or an intermediate organization, bank or institution)) and furnishes a copy to the applicable withholding agent.

If a Non-U.S. Holder does not qualify for the exemption described above, the Non-U.S. holder generally will be subject to U.S. federal withholding tax at a rate of 30% (or a lower rate provided by an applicable income tax treaty; provided that a properly completed IRS Form W-8BEN or W-8BEN-E is furnished to the withholding agent) on payments attributable to accrued but unpaid interest, unless the interest is effectively connected with the Non-U.S. Holder’s conduct of a trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment or fixed base maintained by the Non-U.S. Holder in the United States) and the Non-U.S. Holder provides the applicable withholding agent with a properly completed IRS Form W-8ECI (or other applicable or successor form). Any such effectively connected interest generally will be subject to U.S. federal income tax (and possibly branch profits tax) in the same manner as effectively connected gains as described above under “—Sale of Notes Pursuant to the Offer.”

*Information Reporting and Backup Withholding.* Information returns may be filed with the IRS in connection with payments made to a Non-U.S. Holder pursuant to the Offer. Copies of these information returns may also be made available under the provisions of a specific treaty or other agreement to tax authorities of the country in which a Non-U.S. Holder resides. A Non-U.S. Holder generally will not be subject to backup withholding with respect to payments made pursuant to the Offer if the certifications described above under “—Consequences to Tendering Non-U.S. Holders—Accrued Interest” are received. Backup withholding is not an additional tax. Any amount withheld under the backup withholding rules will be creditable against the Non-U.S. Holder’s U.S. federal income tax liability, if any, and may entitle the Non-U.S. Holder to a refund, provided that the requisite information is properly and timely provided to the IRS.

*FATCA.* Legislation commonly referred to as “FATCA” generally imposes a withholding tax of 30% on payments to certain non-U.S. entities (including financial intermediaries) with respect to certain financial instruments,

unless various U.S. information reporting and due diligence requirements have been satisfied. An intergovernmental agreement between the United States and the non-U.S. entity's jurisdiction may modify these requirements. Withholding under these rules (if applicable) will apply to payments of amounts treated as interest on the Notes. You are urged to consult your own tax advisors regarding FATCA and the application of these requirements to your investment in the Notes and the sale of Notes pursuant to the Offer.

#### **Considerations for Non-Tendering Holders**

A Holder that does not tender its Notes will have no U.S. federal income tax consequences as a result of the consummation of the Offer.

## **DEALER MANAGER; INFORMATION AND TENDER AGENT**

The Company has retained Goldman Sachs & Co. LLC to act as Dealer Manager and D.F. King & Co., Inc. to act as Information and Tender Agent in connection with the Offer. The Company has agreed to pay the Dealer Manager, the Information and Tender Agent customary fees for their services in connection with the Offer and the Debt Financing. The Company has agreed to reimburse the Dealer Manager for its out-of-pocket expenses, including fees and disbursements of counsel, and to reimburse the Information and Tender Agent for certain out-of-pocket expenses. The Company will also indemnify the Dealer Manager and the Information and Tender Agent against certain liabilities, including liabilities under federal securities laws.

Subject to applicable laws, at any time, the Dealer Manager or its affiliates may trade the Notes or other securities of the Company or its affiliates for its own account or for the accounts of customers, and accordingly, may hold a long or short position in the Notes or such other securities. As a result, the Dealer Manager may own from time to time certain of the securities of the Company, including the Notes. To the extent the Dealer Manager or its affiliates hold Notes during the Offer, the Dealer Manager may (subject to the terms and conditions of the Offer) tender Notes (subject to the offer restrictions set out in “Offer and Distribution Restrictions”) on its own account or on behalf of other Holders. No submission or non-submission by the Dealer Manager should be taken by any Holder or any other person as any recommendation or otherwise by the Dealer Manager as to the merits of participating or not participating in the Offer.

The Dealer Manager and its affiliates is a full service financial institution engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities.

In the ordinary course of its various business activities, the Dealer Manager and its affiliates may make, purchase, sell or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and other financial instruments (including bank loans, commodities, currencies, and credit default swaps) for their own account and for the accounts of their customers, and such investment and securities and trading activities may involve assets, securities and/or instruments of the Company and/or persons and entities with relationships with us. The Dealer Manager or its affiliates is serving as the bookrunner and initial purchaser with respect to the offering of certain debt securities of the Company in the Debt Financing.

The Dealer Manager and its affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or instruments and may at any time hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

In addition, the Dealer Manager or its affiliates may have a lending relationship with the Company, and the Dealer Manager or its affiliates routinely hedge, and certain other of the Dealer Manager or its affiliates may hedge their credit exposure to the Company consistent with their customary risk management policies. Typically, the Dealer Manager and its affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in the Company’s securities, including potentially any notes offered in the Debt Financing. Any such credit default swaps or short positions could adversely affect future trading prices of the notes offered in the Debt Financing.

In the ordinary course of their business, the Dealer Manager or its affiliates has in the past performed, and may continue to or may in the future perform, investment banking, commercial banking, broker dealer, financial advisory or other services for the Company and to persons and entities with relationships to us, for which they received or may receive, customary fees and commissions, including offerings of equity and debt securities. The Dealer Manager or its affiliates, or its customers or clients, may be holders of the Notes being tendered. The Dealer Manager and/or its affiliates has received customary compensation and expenses for these commercial banking, investment banking or financial advisory transactions.

None of the Dealer Manager, the Trustee or the Information and Tender Agent assumes any responsibility for the accuracy or completeness of the information concerning the Company or its affiliates contained in this Offer to Purchase or for any failure by the Company to disclose events that may have occurred and may affect the significance or accuracy of such information.

**None of the Company, the Trustee, the Information and Tender Agent or the Dealer Manager, makes any recommendation as to whether Holders should tender all or any portion of their Notes pursuant to the Offer. Each Holder must make his, her or its own decision as to whether to tender Notes and, if so, the principal amount of Notes to tender.**

## **OTHER MATTERS**

The Offer is not being made to (nor will tenders of Notes be accepted from or on behalf of) Holders of Notes in any jurisdiction in which the making or acceptance of the Offer would not be in compliance with the laws of such jurisdiction. If the Company becomes aware of any jurisdiction in which the making of the Offer or the tender of Notes would not be in compliance with applicable laws, it may, in its sole discretion, make an effort to comply with any such law. If, after such effort, the Company cannot comply with any such law, the Offer will not be made to the Holder of Notes residing in such jurisdiction.

Ladies and Gentlemen:

Upon the terms and subject to the conditions set forth in the Offer Documents, the undersigned hereby tenders to the Company the principal amount of Notes indicated herein, pursuant to the guaranteed delivery procedures for the Notes described herein and in the Offer to Purchase under the caption “The Offer—Procedures for Tendering Notes—Guaranteed Delivery Procedure for Notes.” The undersigned hereby represents and warrants that the undersigned has full power and authority to tender such Notes.

The undersigned understands that (i) Notes may be tendered and accepted for payment only in principal amounts equal to minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, (ii) no alternative, conditional or contingent tenders will be accepted and (iii) holders who tender less than all of their Notes must continue to hold Notes in at least the Minimum Authorized Denomination of \$2,000 principal amount.

All authority herein conferred or agreed to be conferred by this Notice of Guaranteed Delivery shall survive the death or incapacity of the undersigned and every obligation of the undersigned under this Notice of Guaranteed Delivery shall be binding on the heirs, personal representatives, executors, administrators, successors, assigns, trustees in bankruptcy and other legal representatives of the undersigned.
