Priority Allocation

When considering any potential allocation of New Notes (as defined herein) in an offering of debt securities by Nexa Resources, Nexa Resources intends, but is not in any way obligated, to give some degree of preference to those investors who, prior to such allocation, have validly tendered, or have indicated to Nexa Resources or the Dealer Managers their firm intention to tender, Notes in the Tender Offers. The New Notes are expected to be issued pursuant to a concurrent offering and in connection with an offering memorandum dated March 31, 2025 (the “Offering Memorandum”). Any investment decision to purchase any New Notes should be made solely on the basis of the information contained in the Offering Memorandum, and no reliance is to be placed on any representations other than those contained in the Offering Memorandum. Accordingly, following the Withdrawal Deadline, Notes validly tendered, including Notes tendered thereafter, may no longer be validly withdrawn except in certain limited circumstances where additional withdrawal rights are required by applicable law. To be valid, a withdrawal of the tendered Notes must comply with the procedures set forth in “The Tender Offers—Withdrawal of Tenders.”

Holders of Notes (the “Holders”) who have validly tendered and not validly withdrawn Notes at or prior to the Expiration Date and have not withdrawn at or prior to the Withdrawal Deadline and whose Notes are accepted for purchase shall receive payment for each US\$ 1,000.00 principal amount of such accepted Notes on a settlement date expected to be within three business days following the Expiration Date, which is expected to be April 9, 2025, or as promptly as practicable thereafter (the “Settlement Date”).

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND OTHER FACTORS

This Offer to Purchase and the documents it incorporates by reference contain forward-looking statements, which are based largely on our current beliefs, expectations and projections about future events and financial trends affecting us. Although we believe these forward-looking statements are based on reasonable assumptions, such statements are subject to several risks and uncertainties and are made in light of the information currently available to us. Many important factors, in addition to those discussed elsewhere in this Offer to Purchase and the documents it incorporates by reference, could cause our actual results to differ substantially from those anticipated in our forward-looking statements. The words “believe,” “may,” “will,” “aim,” “estimate,” “continue,” “anticipate,” “intend,” “expect” and similar words are intended to identify forward-looking statements. Forward-looking statements include information concerning our possible or assumed results of operations, business strategies, financing plans, competitive position, industry environment, potential growth opportunities and the effects of regulation and competition.

Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they were made. We undertake no obligation to update publicly or to revise any forward-looking statements after the date of this Offer to Purchase because of new information, events or other factors. In light of the risks and uncertainties described above, the forward-looking events and circumstances discussed in this Offer to Purchase and the documents it incorporates by reference might not occur and are not guarantees of future performance.

Other factors and assumptions not identified above were also involved in the making of the forward-looking statements. The failure of those assumptions to be realized, as well as other factors, may also cause actual results to differ materially from those projected. As a result, the trading price of our securities could decline and you could lose a part or all of your investment. Nexa Resources has no obligation and makes no undertaking to update or revise any forward-looking information contained in this Offer to Purchase or the Notice of Guaranteed Delivery.

THE COMPANY

Nexa Resources S.A. is a public limited liability company (*société anonyme*), incorporated under the laws of Luxembourg on February 26, 2014, having its registered office at 37A, Avenue J.F. Kennedy, L-1855, Luxembourg Grand Duchy of Luxembourg.

DEBT FINANCING

We have commenced the process for obtaining the Debt Financing, all or a portion of the net proceeds of which will be used to pay all or a portion of the Consideration to all Holders of Notes accepted for purchase pursuant to the Tender Offers, plus Accrued Interest and costs and expenses incurred in connection therewith. The Debt Financing is expected to close on or prior to the Settlement Date, but the timing of the consummation, if any, of the Debt Financing will depend on market conditions and other factors. There can be no assurance that we will complete timely, or at all, any such Debt Financing, and our obligation to accept for purchase and pay for the Notes validly tendered pursuant to the Tender Offers is conditioned upon satisfaction or waiver by us of the Financing Condition and the other conditions set forth in “The Tender Offers—Conditions to the Tender Offers.”

This Offer to Purchase does not constitute an offer to sell or a solicitation of an offer to buy any securities or other financial instruments which may be issued or otherwise incurred in connection with the Debt Financing.

SOURCES AND AMOUNTS OF FUNDS

We intend to use all or a portion of the net proceeds from the Debt Financing to pay the Consideration, Accrued Interest and costs and expenses in connection with the Tender Offers to all Holders of Notes accepted for purchase pursuant to the Tender Offers. We also intend to use a portion of the proceeds from the Debt Financing to redeem all of the 2027 Notes in accordance with the terms of the indenture governing the 2027 Notes that remain outstanding immediately after the Expiration Date. In addition, we also reserve the right, at our sole discretion, to use any remaining proceeds to redeem or purchase any of the Notes that remain outstanding after the Expiration Date. Such purchases may occur through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, upon such terms and at such prices as we may determine, which may be higher or lower than the prices to be paid pursuant to the Tender Offers.

RISK FACTORS

In deciding whether to participate in the Tender Offers, each Holder should consider carefully, in addition to the other information contained in this Offer to Purchase, the following risk factors:

There may be a more limited trading market for the Notes following the consummation of the Tender Offers.

Quotations for securities that are not widely traded, such as the Notes, may differ from actual trading prices and should be viewed only as approximations. Holders are urged to contact their brokers with respect to current information regarding the Notes. To the extent that Notes are tendered and accepted in the Tender Offers, any existing trading market for the remaining Notes may become more limited. We currently intend to retire and cancel the Notes we purchase in the Tender Offers. Consequently, the liquidity, market value and price volatility of Notes that remain outstanding following the consummation of the Tender Offers may be adversely affected. Holders of unpurchased Notes may attempt to obtain quotations for the Notes from their brokers; however, there can be no assurance that any trading market will exist for the Notes following consummation of the Tender Offers. The extent of the market for the Notes following consummation of the Tender Offers will depend upon the number of Holders remaining at such time, the interest in maintaining a market in such Notes on the part of securities firms and other factors.

No recommendation is being made with respect to the Tender Offers.

None of Nexa Resources, the Dealer Managers, the Tender and Information Agent or the Trustee, or any of their respective affiliates, makes any recommendation to any Holder whether to tender or refrain from tendering any or all of such Holder's Notes or how much they should tender, and none of them has authorized any person to make any such recommendation. Holders are urged to evaluate carefully all information in this Offer to Purchase, consult their own investment and tax advisors and make their own decisions with respect to the Tender Offers.

The Consideration offered for the Notes does not reflect any independent valuation of the Notes and does not take into account events or changes in financial markets (including interest rates) after the commencement of the Tender Offers. We have not obtained or requested a fairness opinion from any banking or other firm as to the fairness of the Consideration offered for the Notes. If you tender your Notes, you may or may not receive as much or more value than if you choose to keep them.

Notes not purchased in the Tender Offers will remain outstanding.

Notes not tendered or purchased in the Tender Offers will remain outstanding. The terms and conditions governing the Notes, including the covenants and other protective provisions contained in the instruments governing the Notes, will remain unchanged. No amendments to these documents are being sought.

We or our affiliates may, from time to time, after completion of the Tender Offers, redeem or purchase additional Notes in the open market, in privately negotiated transactions, through tender or exchange offers or otherwise. Any future redemption or purchases may be on the same terms or on terms that are more or less favorable to Holders of Notes than the terms of the Tender Offers. Any future redemption or purchases by us or our affiliates will depend on various factors existing at that time. There can be no assurance as to which, if any, of these alternatives (or combinations thereof) we or our affiliates may choose to pursue in the future.

There are limits on your ability to withdraw tendered Notes.

Validly tendered Notes may be validly withdrawn at any time at or prior to the Expiration Date, unless extended or earlier terminated as described below, but not thereafter.

Holders should consult their own tax, accounting, financial and legal advisers before participating in the Tender Offers.

Holders are liable for their own taxes (other than certain transfer taxes) and have no recourse to Nexa Resources, any of our affiliates, the Dealer Managers, the Tender and Information Agent or the Trustee with respect to taxes (other than certain transfer taxes) arising in connection with the Tender Offers. Holders should consult their own tax, accounting, financial and legal advisers as they may deem appropriate regarding the tax, accounting, financial

and legal consequences of participating or declining to participate in the Tender Offers. In particular, due to the number of different jurisdictions where tax laws may apply to a Holder, this Offer to Purchase does not discuss all tax consequences for Holders arising from the purchase by Nexa Resources of the Notes. Holders are urged to consult their own professional advisers regarding the possible tax consequences under the laws of the jurisdictions that apply to them.

The 2027 Tender Offer Consideration for each US\$1,000.00 principal amount of 2027 Notes validly tendered (and not validly withdrawn) at or prior to the Expiration Date and accepted for purchase pursuant to the 2027 Tender Offer will be US\$1,015.00.

2028 Notes

The 2028 Tender Offer Consideration for each US\$1,000.00 principal amount of 2028 Notes validly tendered (and not validly withdrawn) at or prior to the Expiration Date and accepted for purchase pursuant to the 2028 Tender Offer will be US\$1,041.25.

Interest

The applicable Consideration will be paid together with applicable Accrued Interest. All Notes accepted for purchase in the Tender Offers will cease to accrue interest on the Settlement Date, unless we default in the payment of amounts payable pursuant to the Tender Offers. All Notes not tendered or accepted for purchase shall continue to accrue interest.

Withdrawal of Tenders

Withdrawal rights with respect to tendered Notes will terminate at 5:00 p.m., New York City time, on April 4, 2025, unless extended by us. Accordingly, following the Withdrawal Deadline, Notes validly tendered, including Notes tendered thereafter, may no longer be validly withdrawn except in certain limited circumstances where additional withdrawal rights are required by applicable law (as determined by us). To be valid, a withdrawal of the tendered Notes must comply with the procedures set forth in “—Withdrawal of Tenders.”

Settlement

Assuming our acceptance of Notes tendered pursuant to the Tender Offers, Holders who have validly tendered and not validly withdrawn Notes at or prior to the Withdrawal Deadline and whose Notes are accepted for purchase shall, if we so elect, receive payment for each US\$1,000.00 principal amount of such accepted Notes on the Settlement Date.

We will make payment for any and all Notes validly tendered after the Expiration Date and accepted for purchase by us in an amount equal to the applicable Tender Offer Consideration, plus Accrued Interest, for each US\$1,000.00 principal amount of such accepted Notes on the Settlement Date.

Record Holders

This Offer to Purchase and the Notice of Guaranteed Delivery, if applicable, are being sent to all Holders of record (the “Record Holders”) of Notes on the date of this Offer to Purchase as we are reasonably able to identify.

Only Record Holders are entitled to tender Notes and receive the applicable Consideration, if payable, pursuant to the Tender Offers.

Procedures for Tendering Notes

A defective tender of Notes (which defect is not waived by us) will not constitute valid delivery of the Notes and will not entitle the Holder thereof to any payment pursuant to the Tender Offers.

Book-Entry Delivery of the Notes; Tender through ATOP. Within two business days after the date of this Offer to Purchase, the Tender and Information Agent will establish an account with respect to the Notes at DTC for purposes of the Tender Offers. Any financial institution that is a participant in DTC may make book-entry delivery of Notes by causing DTC to transfer such Notes into the Tender and Information Agent's account in accordance with DTC's procedures for such transfer. Although delivery of the Notes may be effected through book-entry at DTC, an Agent's Message and any other required documents must be transmitted to and received by the Tender and Information Agent at or prior to the Expiration Date at its address or e-mail address set forth on the back cover of this Offer to Purchase in order to be eligible to receive the Purchase Price. Delivery of such documents to DTC does not constitute delivery to the Tender and Information Agent. The term "Agent's Message" means a message, transmitted by DTC to and received by the Tender and Information Agent and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the tendering participant, which acknowledgment states that such participant has received and agrees to be bound by the Notice of Guaranteed Delivery, if applicable, and that Nexa Resources may enforce such Notice of Guaranteed Delivery against such participant, if applicable.

Holders must execute their tender through DTC's ATOP system by transmitting their acceptance to DTC in accordance with DTC's ATOP procedures; DTC will then verify the acceptance, execute a book-entry delivery to the Tender and Information Agent's account at DTC and send an Agent's Message to the Tender and Information Agent. Delivery of the Agent's Message by DTC will satisfy the terms of the Tender Offers.

Guaranteed Delivery Procedures. If you are a Holder and desire to tender your Notes, and (i) these Notes are not immediately available, (ii) time will not permit your Notes or other required documents to reach the Tender and Information Agent before the Expiration Date, or (iii) the procedures for book-entry transfer cannot be completed on a timely basis, you may still tender your Notes in the Tender Offers if:

(a) you tender through a member firm of a registered national securities exchange or FINRA, a commercial bank or trust company having an office or correspondent in the United States, or an eligible guarantor institution within the meaning of Rule 17Ad-15 under the Exchange Act;

(b) before the Expiration Date, the Tender and Information Agent receives an Agent's Message, a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form provided by us, with your name and address as Holder and the amount of Notes tendered, stating that the tender is being made by that notice and guaranteeing that by the close of business on April 8, 2025, the second business day after the scheduled Expiration Date, a book-entry confirmation with an Agent's Message will be deposited by the Eligible Institution with the Tender and Information Agent; and

(c) a book-entry confirmation with an Agent's Message is received by the Tender and Information Agent at its address or e-mail address set forth on the back cover of this Offer to Purchase by the close of business on April 8, 2025, the second business day after the scheduled Expiration Date.

If DTC's ATOP is used, the DTC participant need not complete and physically deliver the Notice of Guaranteed Delivery. However, each Holder will be bound by the terms of the Tender Offers.

FOR THE AVOIDANCE OF DOUBT, THE DELIVERY OF NOTES TENDERED BY GUARANTEED DELIVERY PROCEDURES MUST BE MADE NO LATER THAN THE CLOSE OF BUSINESS ON APRIL 8, 2025, THE SECOND BUSINESS DAY AFTER THE SCHEDULED EXPIRATION DATE; PROVIDED THAT ACCRUED INTEREST WILL CEASE TO ACCRUE ON THE SETTLEMENT DATE FOR ALL NOTES ACCEPTED IN THE TENDER OFFERS, INCLUDING THOSE TENDERED BY THE GUARANTEED DELIVERY PROCEDURES SET FORTH ABOVE AND UNDER NO CIRCUMSTANCES WILL ADDITIONAL INTEREST OR ADDITIONAL CONSIDERATION BE PAID AFTER THE SETTLEMENT DATE BY REASON OF ANY DELAY ON THE PART OF THE GUARANTEED DELIVERY PROCEDURES.

Tender of Notes Held in “Street Name.” A beneficial owner of Notes held in “street name” should contact the broker, dealer, commercial bank, trust company or other nominee in whose name the Notes are registered to instruct such broker, dealer, commercial bank, trust company or other nominee to tender Notes on the beneficial owner’s behalf. If Notes are held in “street name,” the broker, dealer, commercial bank, trust company or other nominee in whose name such Notes are registered may have an earlier deadline for tendering Notes pursuant to the Tender Offer than the Expiration Date.

General. The valid tender of Notes pursuant to the Tender Offers by one of the procedures set forth above will constitute an agreement between the tendering Holder and Nexa Resources in accordance with the terms and subject to the conditions of the Tender Offers. For the purposes of this Offer to Purchase, use of the term “valid tender” or any derivative thereof of the Notes shall include valid tender by any of the above procedures.

The method of delivery of the Notice of Guaranteed Delivery and all other required documents is at the election and risk of the tendering Holder. If a Holder chooses to deliver by mail, the recommended method is by registered mail with return receipt requested, properly insured. In all cases, sufficient time should be allowed to ensure timely delivery. If Notes are held by a custodian, the custodian may have an earlier deadline for tendering Notes than the Expiration Date.

By tendering Notes through book-entry transfer as described in this Offer to Purchase, and subject to and effective upon acceptance for purchase of, and payment for, the Notes tendered therewith, a tendering Holder (i) irrevocably sells, assigns and transfers to or upon the order of Nexa Resources all right, title and interest in and to all the Notes tendered thereby, (ii) waives any and all other rights with respect to the Notes (including, without limitation, the tendering Holder’s waiver of any existing or past defaults and their consequences in respect of the Indenture and the Notes), (iii) releases and discharges Nexa Resources from any and all claims such Holder may have now, or may have in the future, arising out of, or related to, the Notes, including, without limitation, any claims that such Holder is entitled to receive additional principal or interest payments with respect to the Notes or to participate in any redemption or defeasance of the Notes, and (iv) irrevocably constitutes and appoints the Tender and Information Agent as the true and lawful agent and attorney-in-fact of such Holder (with full knowledge that the Tender and Information Agent also acts as an agent of Nexa Resources) with respect to any such tendered Notes, with full power of substitution and resubstitution (such power of a attorney being deemed to be an irrevocable power coupled with an interest) to (a) transfer ownership of such Notes on the account books maintained by DTC, together with all accompanying evidences of transfer and authenticity, to Nexa Resources, (b) present such Notes for transfer on the relevant security register and (c) receive all benefits or otherwise exercise all rights of beneficial ownership of such Notes (except that the Tender and Information Agent will have no rights to, or control over, funds from Nexa Resources, except as agent for the tendering Holders, for the applicable Consideration, for any tendered Notes that are purchased by Nexa Resources).

A Holder, by tendering its Notes, represents and warrants that (i) the Holder has received this Offer to Purchase, agrees to the terms and conditions contained herein and, if the Tender Offer is consummated, agrees that the purchase of Notes in the Tender Offer shall be on the terms and conditions of this Offer to Purchase and (ii) when such Notes are accepted for purchase and payment by Nexa Resources, Nexa Resources will acquire good title thereto, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim or right. The Holder will, upon request, execute and deliver any additional documents deemed by the Tender and Information Agent or Nexa Resources to be necessary or desirable to complete the sale, assignment and transfer of the Notes tendered. All authority conferred or agreed to be conferred by tendering the Notes through book-entry transfer shall survive the death or incapacity of the tendering Holder and every obligation of such Holder incurred in connection with its tender of Notes shall be binding upon such Holder’s heirs, personal representatives, executors, administrators, successors, assigns, trustees in bankruptcy and other legal representatives.

All questions as to the form of documents and validity, eligibility (including time of receipt), acceptance for purchase and withdrawal of tendered Notes will be determined by Nexa Resources in its sole discretion, and its determination will be final and binding. Nexa Resources reserves the absolute right, in its sole discretion, to reject any and all tenders of Notes that it determines are not in proper form or for which the acceptance for purchase or payment may, in the opinion of its counsel, be unlawful. Nexa Resources also reserves the absolute right, in its sole discretion and subject to applicable law, to waive any of the conditions of the Tender Offers or any defect or irregularity in the tender of Notes of any particular Holder, whether or not similar conditions, defects or irregularities are waived in the case of other Holders. Nexa Resources’ interpretation of the terms and conditions of the Tender Offers (including the instructions in the Notice of Guaranteed Delivery) will be final and binding. None of Nexa Resources, the Dealer

Managers, the Tender and Information Agent or the Trustee, or any of their respective affiliates, will be under any duty to give notice of any defects or irregularities in tenders or any notices of withdrawal or will incur any liability for failure to give any such notice.

Withdrawal of Tenders; Absence of Appraisal Rights

Tendered Notes may be validly withdrawn from the Tender Offers at any time (i) at or prior to the earlier of (x) the Expiration Date and (y) in the event that the Tender Offers are extended, the tenth business day after commencement of the Tender Offers, and (ii) after the 60th business day after commencement of the Tender Offers if for any reason the Tender Offers have not been consummated within 60 business days after commencement by following the procedures described herein. If we amend the Tender Offers in a manner materially adverse to you as a tendering Holder, withdrawal rights will be extended, as we determine appropriate and in accordance with applicable law, to allow tendering Holders a reasonable opportunity to respond to such amendment. If we terminate, withdraw or otherwise do not consummate the Tender Offers, the Notes tendered pursuant to the Tender Offer will be promptly returned to the Holder thereof without compensation or cost to such Holder, and will remain outstanding.

For a withdrawal of Notes to be effective, a written transmission notice of withdrawal or revocation must be timely received by the Tender and Information Agent at its address or e-mail address set forth on the back cover of this Offer to Purchase, or a validly transmitted "Request Message" must be delivered pursuant to DTC's ATOP. The withdrawal notice must (i) specify the name of the Holder who tendered the Notes to be withdrawn and, if different, the name of the DTC participant for whose account such Notes were tendered, along with the number of the account at DTC to be credited with the withdrawn Notes; (ii) contain a description of the Notes to be withdrawn (including the principal amount to be withdrawn); (iii) contain a statement that such Holder is withdrawing its Notes; and (iv) be signed by such participant in the same manner as the participant's name is listed on the applicable Agent's Message.

To validly withdraw Notes held in "street name," a beneficial owner should contact the broker, dealer, commercial bank, trust company or other nominee in whose name the Notes are registered to instruct such broker, dealer, commercial bank, trust company or other nominee to withdraw the Notes on the beneficial owner's behalf.

Valid withdrawals of Notes may not be rescinded, and any Notes validly withdrawn will thereafter be deemed not validly tendered for purposes of the Tender Offers. Validly withdrawn Notes may, however, be retendered following one of the procedures described under "—Procedures for Tendering Notes" at any time at or prior to the Expiration Date.

Valid withdrawals of Notes can only be accomplished in accordance with the foregoing procedures. All questions as to the validity (including time of receipt) of notices of withdrawal will be determined by Nexa Resources in its sole discretion, and its determination shall be final and binding. None of Nexa Resources, its respective directors, officers or employees, the Dealer Managers, the Tender and Information Agent, the Trustee, any of their respective affiliates or any other person will be under any duty to give notification of any defects or irregularities in any notice of withdrawal or revocation, or incur any liability for failure to give any such notification.

The Notes are Nexa Resources' debt obligations and are governed by the Indenture. There are no appraisal or other similar statutory rights available to Holders in connection with the Tender Offers.

We and our affiliates expressly reserve the absolute right, at our sole discretion and subject to applicable law and the applicable indenture governing each series of Notes, from time to time, to purchase any Notes that remain outstanding after the Expiration Date. Such purchases may occur through open market purchases, privately negotiated transactions, tender offers, exchange offers, redemptions or otherwise, upon such terms and at such prices as we may determine (or as may be provided for in the indentures governing the Notes), which may be higher or lower than the price to be paid pursuant to the Tender Offers and could be settled in cash or other consideration.

There can be no assurance as to which, if any, of these alternatives or combinations thereof we or our affiliates may choose to pursue in the future. Any future purchases of Notes may be on the same terms or on terms that are more or less favorable to Holders than the terms of the Tender Offers. Any future purchases by us will depend on various factors prevailing at the relevant time.

Although we may redeem the Notes that are not tendered and accepted for purchase pursuant to the Tender Offers, we are not obligated to do so, and there is no assurance that we will proceed with a redemption. No statement in this

Offer to Purchase shall constitute a notice of redemption under the applicable indenture governing any series of Notes. Any such notice, if issued, will be made strictly in accordance with the provisions of the respective indenture governing such series of Notes, as applicable.

Priority Allocation

When considering any potential allocation of New Notes in an offering of debt securities by Nexa Resources, Nexa Resources intends, but is not in any way obligated, to give some degree of preference to those investors who, prior to such allocation, have validly tendered, or have indicated to Nexa Resources or the Dealer Managers their firm intention to tender, Notes in the Tender Offers. The New Notes are expected to be issued pursuant to a concurrent offering and in connection with the Offering Memorandum. Any investment decision to purchase any New Notes should be made solely on the basis of the information contained in the Offering Memorandum, and no reliance is to be placed on any representations other than those contained in the Offering Memorandum. The New Notes have not been and will not be registered under the Securities Act, any U.S. State securities laws or the laws of any jurisdiction and will be offered and sold to qualified institutional buyers pursuant to exemptions from the registration requirements of the Securities Act under Rule 144A and in compliance with Regulation S outside the United States.

Conditions to the Tender Offers

Notwithstanding any other provision of the Tender Offers, and in addition to (and not in limitation of) our rights to terminate, extend and/or amend any of the Tender Offers, we are not required to accept for purchase or pay for, and may delay the acceptance for purchase of, any tendered Notes. In each case, this is subject to Rule 14e-1(c) under the Exchange Act (which requires that an offeror pay the offered consideration or return the Notes deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of a tender offer). Additionally, we may terminate any of the Tender Offers if any of the conditions described below are not satisfied or waived, or if any of the events described below occurs.

Financing Condition

The Financing Condition must be satisfied. This means that our obligation to accept for purchase and to pay for Notes validly tendered pursuant to the Tender Offers is subject to the receipt of net proceeds from the proposed Debt Financing in an amount that is sufficient to effect the repurchase of the Notes validly tendered and accepted for purchase pursuant to the Tender Offers, including the payment of any premiums, Accrued Interest and costs and expenses incurred in connection therewith.

General Conditions

None of the following shall have occurred on or after the date of this Offer to Purchase and on or before the Settlement Date:

- there shall have been instituted, threatened or be pending any action, proceeding or investigation (whether formal or informal), or there shall have been any material adverse development to any action or proceeding currently instituted, threatened or pending, before or by any court, governmental, regulatory or administrative agency or instrumentality, or by any other person, in connection with such Tender Offer that, in our reasonable judgment, either (a) is, or is reasonably likely to be, materially adverse to the business, operations, properties, condition (financial or otherwise), assets, liabilities or prospects of Nexa Resources, its affiliates or its subsidiaries, or (b) would or might prohibit, prevent, restrict or delay consummation of such Tender Offer;
- an order, statute, rule, regulation, executive order, stay, decree, judgment or injunction shall have been proposed, enacted, entered, issued, promulgated, enforced or deemed applicable by any court or governmental, regulatory or administrative agency or instrumentality that, in our reasonable judgment, either (a) would or might prohibit, prevent, restrict or delay consummation of such Tender Offer or (b) is, or is reasonably likely to be, materially adverse to the business, operations, properties, condition (financial or otherwise), assets, liabilities or prospects of Nexa Resources, its affiliates or its subsidiaries;

- there shall have occurred or be likely to occur any event affecting the business or financial affairs of Nexa Resources, its affiliates or its subsidiaries that, in our reasonable judgment, would or might prohibit, prevent, restrict or delay consummation of such Tender Offer; and
- there has occurred (a) any general suspension of, or limitation on, trading in securities on the New York Stock Exchange, or in the over-the-counter market, whether or not mandatory, (b) any significant adverse change in the price of the Notes in the securities or financial markets in the United States, (c) a material impairment in the trading market for debt securities, (d) a declaration of a banking moratorium or any suspension of payments in respect to banks in the United States or Europe, (e) any limitation (whether or not mandatory) by any government or governmental, administrative or regulatory authority or agency, domestic or foreign, or other event that, in our reasonable judgment, might affect the extension of credit by banks or other lending institutions, (f) a material change in United States or European currency exchange rate or a general suspension of, or material limitation on, the markets therefor, (g) a commencement of a war, armed hostilities, terrorist acts or other national or international calamity directly or indirectly involving the United States or Europe or, (h) in the case of any of the foregoing existing on the date hereof, a material acceleration or worsening thereof.

The foregoing conditions are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any such condition (including any action or inaction by us) and may be waived by us, in whole or in part, at any time and from time to time. Our failure at any time to exercise any of the foregoing rights will not be deemed a waiver of any other right and each right will be deemed an ongoing right that may be asserted at any time and from time to time.

Notwithstanding any other provision of the Tender Offers, we have the right, in its sole discretion, to terminate any of the Tender Offers at any time.

Extensions; Amendments; Termination

We expressly reserve the right, at any time or from time to time, regardless of whether or not any of the events set forth in “—Conditions to the Tender Offers” shall have occurred, or shall have been determined by us to have occurred, subject to applicable law, (i) to extend the period during which any of the Tender Offers is open by giving written notice of the extension to the Tender and Information Agent and the Dealer Managers, (ii) to amend any of the Tender Offers in any respect by giving written notice of the amendment to the Tender and Information Agent and the Dealer Managers, (iii) to terminate any of the Tender Offers and not accept for purchase the tendered Notes and to return all tendered Notes to tendering Holders, (iv) to waive any and all of the conditions and accept for purchase Notes that have been validly tendered prior to the Expiration Date, and (v) to assign any or all of our rights and obligations under any of the Tender Offers to an affiliate or designee. We may extend any of the Tender Offers from time to time in our sole discretion. If we extend any of the Tender Offers, or if, for any reason, the acceptance for purchase of, or the payment for, Notes is delayed, or if we are unable to accept Notes for purchase pursuant to any of the Tender Offers, then the Tender and Information Agent may retain, on our behalf, Notes which have been tendered, subject to Rule 14e-1 under the Exchange Act (“Rule 14e-1”) (which requires that a bidder pay the consideration offered or return the securities deposited by or on behalf of holders of securities promptly after the termination or withdrawal of a tender offer). The rights reserved by us in this paragraph are in addition to our rights to terminate any of the Tender Offers as a result of a failure to satisfy any of the conditions described under “—Conditions to the Tender Offers.”

Any extension, amendment or termination of any of the Tender Offers will be followed as promptly as practicable by public announcement thereof, the announcement in the case of an extension of either of the Tender Offers to be issued no later than 9:00 a.m., New York City time, on the first business day after the previously scheduled Expiration Date. Without limiting the manner in which any public announcement may be made, we shall have no obligation to publish, advertise or otherwise communicate any such public announcement other than by issuing a press release or utilizing such other means of announcement as we deem appropriate.

The minimum period during which a Tender Offer will remain open following material changes in the terms or in the information concerning a Tender Offer will depend upon applicable law, and in particular Rule 14e-1, and the facts and circumstances of such change, including the relative materiality of the change. If any of the terms of a Tender Offer are amended in a manner determined by us to constitute a material change adversely affecting any Holder, we will promptly disclose any such amendment in a manner reasonably calculated to inform Holders of such amendment, and we will extend such Tender Offer for a time period that we deem appropriate, depending upon the significance of the amendment and the manner of disclosure to Holders.

Subject to applicable law, we expressly reserve the right, in our sole discretion, to amend, extend or terminate either or both of the Tender Offers. If a Tender Offer is terminated at any time with respect to either series of Notes, the Notes tendered pursuant to such Tender Offer will be promptly returned to the tendering Holders.

Other Purchases of Notes

From time to time after the Expiration Date or after termination or withdrawal of any of the Tender Offers, we or any of our affiliates may purchase Notes that are not tendered or accepted for purchase pursuant to the Tender Offers through open-market purchases, privately-negotiated transactions, tender offers, exchange offers, redemptions or otherwise, upon such terms and at such prices as we may determine (or as may be provided for in the indentures governing the Notes), which may be more or less than the price to be paid pursuant to the Tender Offers and could be for cash or other consideration. There can be no assurance as to which, if any, of these alternatives or combinations thereof we or our affiliates may choose to pursue in the future. Any future purchases of Notes may be on the same terms or on terms that are more or less favorable to Holders than the terms of the Tender Offers. Any future purchases by us will depend on various factors prevailing at the relevant time. Although we intend to redeem the 2027 Notes that are not tendered and accepted for purchase pursuant to the Tender Offers, we are not required to do so, and there can be no assurance we will redeem the Notes. No statement in this Offer to Purchase shall constitute a notice of redemption under the respective indenture governing such series of Notes. Any such notice, if made, will only be made in accordance with the provisions of the respective indenture governing such series of Notes, as applicable.

Governing Law

This Offer to Purchase, the Notice of Guaranteed Delivery, the Tender Offers, each Agent's Message and any purchase of Notes pursuant to the Tender Offers will be governed by and construed in accordance with the laws of the state of New York.

DEALER MANAGERS AND TENDER AND INFORMATION AGENT

We have retained Citigroup Global Markets Inc., Itau BBA USA Securities, Inc., J.P. Morgan Securities LLC, and Santander US Capital Markets LLC to act as Dealer Managers (the “Dealer Managers”) and D.F. King & Co., Inc. to act as Tender and Information Agent in connection with the Tender Offers. We have agreed to pay the Dealer Managers and the Tender and Information Agent customary fees for their services in connection with the Tender Offers. We have agreed to indemnify the Dealer Managers and the Tender and Information Agent against certain liabilities and expenses. At any time, the Dealer Managers may trade the Notes for their own account or for the accounts of their customers and, accordingly, may have a long or short position in the Notes. The Dealer Managers and their respective affiliates have provided in the past, and are currently providing, other investment banking, commercial banking and/or financial advisory services to us for which they have and will receive customary compensation. In addition, the Dealer Managers will act as initial purchasers in connection with the Debt Financing.

We have not authorized any person (including the Dealer Managers and the Tender and Information Agent) to give any information or make any representations in connection with the Tender Offers other than as set forth herein and, if given or made, such information or representations must not be relied upon as having been authorized by Nexa Resources, the Trustee, the Tender and Information Agent, the Dealer Managers or any other person.

Any Holder or beneficial owner that has questions concerning the terms of the Tender Offers may contact the Dealer Managers at the addresses and telephone numbers set forth on the back cover page of this Offer to Purchase. Holders may also contact their broker, dealer, custodian bank, depository, trust company or other nominee for assistance concerning this Offer to Purchase.

Notice of Guaranteed Delivery and all correspondence in connection with this Offer to Purchase shall be sent or delivered to the Tender and Information Agent at its address, email address or facsimile number set forth on the back cover of this Offer to Purchase. Any Holder or beneficial owner that has questions concerning tender procedures should contact the Tender and Information Agent at its address, email address and telephone numbers set forth on the back cover of this Offer to Purchase.

The Dealer Managers may contact Holders regarding this Offer to Purchase and may request brokers, dealers, custodian banks, depositories, trust companies and other nominees to forward this Offer to Purchase and related materials to beneficial owners of Notes. None of the Dealer Managers or the Tender and Information Agent assumes any responsibility for the accuracy or completeness of the information concerning us contained or incorporated by reference in this Offer to Purchase or for any failure by us to disclose events that may have occurred and may affect the significance or accuracy of such information.

Each of the Dealer Managers and/or its affiliates, in the ordinary course of its business, makes markets in our securities, including the Notes. As a result, from time to time, the Dealer Managers and/or their affiliates may own certain of our securities, including the Notes. In addition, the Dealer Managers may tender Notes into the Tender Offers for their own accounts. In the ordinary course of business, the Dealer Managers and their respective affiliates have in the past provided, currently provide, and may in the future from time to time provide, investment banking and general financing and commercial banking services to us and certain of our affiliates, including the provision of credit facilities and/or the performance of financial advisory services for us and our affiliates, for which they received, or will receive, customary fees and expenses. The Dealer Managers are not obligated to make a market in the Notes. In addition, each of the Dealer Managers and/or its affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

NONE OF NEXA RESOURCES, ITS BOARD OF DIRECTORS, THE DEALER MANAGERS, THE TENDER AND INFORMATION AGENT OR THE TRUSTEE OR ANY OF THEIR RESPECTIVE AFFILIATES IS MAKING ANY RECOMMENDATION AS TO WHETHER HOLDERS SHOULD TENDER ANY NOTES IN RESPONSE TO ANY OF THE TENDER OFFERS, AND NEITHER WE NOR ANY SUCH OTHER PERSON HAS AUTHORIZED ANY PERSON TO MAKE ANY SUCH RECOMMENDATION. HOLDERS MUST MAKE THEIR OWN DECISION AS TO WHETHER TO TENDER ANY OF THEIR NOTES AND, IF SO, THE PRINCIPAL AMOUNT OF NOTES TO TENDER.

Brokers, dealers, commercial banks, trust companies and other nominees will be reimbursed by the Tender and Information Agent, by application of funds provided by us, for customary mailing and handling expenses incurred by them in forwarding material to their customers. We will pay all other fees and expenses attributable to the Tender Offers, other than expenses incurred by Holders or beneficial owners of Notes.

In addition, we will pay all transfer taxes applicable to the purchase and transfer of Notes pursuant to the Tender Offers, except that if the payment of the Consideration is being made to, or if Notes that are not tendered or purchased pursuant to the Tender Offers are to be registered or issued in the name of, any person other than the registered Holder of the Notes or the participant in whose name the Notes are held on the books of DTC, or if a transfer tax is imposed for any reason other than the purchase of Notes pursuant to the Tender Offers, then the amount of any such transfer tax (whether imposed on the Holder or any other person) will be payable by the tendering Holder. If satisfactory evidence of payment of that tax or exemption from payment is not submitted, then the amount of that transfer tax will be deducted from the Consideration otherwise payable to the tendering Holder.

MISCELLANEOUS

We are not aware of any jurisdiction in which the making of the Tender Offers is not in compliance with the laws of such jurisdiction. If we become aware of any jurisdiction where the making of the Tender Offers would not be in compliance with such laws, we will make a good faith effort to comply with any such laws. If, after such good faith effort, we cannot comply with any such applicable laws, the Tender Offers will not be made to the Holders residing in such jurisdiction.

Recipients of this Offer to Purchase should not construe the contents hereof as legal, business or tax advice. Each recipient should consult its own attorney, business advisor and tax advisors as to legal, business, tax and related matters concerning the Tender Offers.

MARKET AND TRADING INFORMATION

The Notes are listed on the Singapore Exchange Securities Trading Limited. Prices and trading volumes of the Notes can be difficult to monitor. Quotations for securities that are not widely traded, such as the Notes, may differ from actual trading prices and should be viewed as approximations. Holders are urged to obtain current information with respect to market prices for the Notes.

TAXATION

Certain U.S. Federal Income Tax Considerations

The following is a summary of certain U.S. federal income tax consequences of the Tender Offers that may be relevant to a beneficial owner of Notes that is an individual citizen or resident of the United States or a domestic corporation or otherwise subject to U.S. federal income tax on a net income basis in respect of the Notes (a “U.S. Holder”). This summary is based on laws, regulations, rulings and decisions now in effect, all of which are subject to change, possibly with retroactive effect. The discussion does not address particular tax considerations that may be applicable to Holders that are subject to special tax rules, such as dealers in securities or currencies, banks or other financial institutions, insurance companies, tax-exempt organizations, S corporations, entities classified as partnerships for U.S. federal income tax purposes and the partners therein, regulated investment companies, real estate investment trusts, traders in securities that elect to use the mark-to-market method of accounting, U.S. expatriates, nonresident alien individuals present in the United States for more than 182 days during the taxable year, persons holding Notes as a position in a “straddle” or conversion transaction, or as part of a “synthetic security” or other integrated financial transaction or persons that have a functional currency other than the U.S. dollar. The discussion assumes that the Notes are held as “capital assets” within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the “Code”). The discussion addresses only U.S. federal income tax consequences, and does not address consequences arising under state, local or non-U.S. tax laws. The discussion does not address alternative minimum taxes, consequences arising from the special timing rules prescribed under Section 451(b) of the Code, the Medicare tax on net investment income or other aspects of U.S. federal income or state, local or non-U.S. taxation that may be relevant to a holder in light of the holder’s particular circumstances.

Furthermore, this summary does not address all of the U.S. federal income tax considerations that may be relevant to a tendering holder of Notes that purchases New Notes issued by us in the Debt Financing. Such holders should consult their own tax advisors regarding the U.S. federal income tax consequences to them of the sale of their Notes pursuant to a Tender Offer and the acquisition of New Notes pursuant to the Debt Financing.

Sale of the Notes

Sales of Notes by U.S. Holders pursuant to a Tender Offer will be taxable transactions for U.S. federal income tax purposes. A U.S. Holder selling Notes pursuant to a Tender Offer will recognize gain or loss in an amount equal to the difference between the amount of cash received (but not including amounts received attributable to Accrued Interest, which will be taxed as ordinary income from sources outside the United States to the extent not previously included in income) and the U.S. Holder’s adjusted tax basis in the Notes sold at the time of sale. A U.S. Holder’s adjusted tax basis in a Note generally will equal the amount paid therefor, increased by the amount of any market discount previously taken into account by the U.S. Holder and reduced by the amount of any amortizable bond premium previously amortized by the U.S. Holder with respect to the Note. Subject to the discussion of the market discount rules set forth below, any gain or loss will be capital gain or loss and will be long-term capital gain or loss if the U.S. Holder’s holding period for the Notes on the date of sale was more than one year. In the case of certain non-corporate U.S. Holders (including individuals), long-term capital gains are generally subject to a reduced rate of U.S. federal income tax. The deductibility of capital losses is subject to limitation. Additionally, any capital gain or loss recognized on the sale of the Notes will be U.S. source for foreign tax credit purposes.

A U.S. Holder generally will be considered to have acquired the Notes with market discount if the Notes’ stated principal amount exceeded the U.S. Holder’s tax basis in the Notes immediately after acquisition by more than a statutory *de minimis* amount. In general, if a U.S. Holder acquired the Notes with market discount, any gain realized by a U.S. Holder on the sale of the Notes will be treated as ordinary income (which should be treated as income from sources outside the United States) to the extent of the portion of the market discount that has accrued while the Notes were held by the U.S. Holder, unless the U.S. Holder has elected to include market discount in income currently as it accrues.

Information Reporting and Backup Withholding

A U.S. Holder may be subject to certain information reporting requirements and backup withholding with respect to the cash received from the sale of Notes pursuant to a Tender Offer (including Accrued Interest), unless (i)

the U.S. Holder is a corporation or comes within certain other exempt categories and, if required, demonstrates this fact or (ii) in the case of backup withholding, the U.S. Holder provides a correct taxpayer identification number, certifies as to no loss of exemption from backup withholding and otherwise complies with applicable requirements of the backup withholding rules. The amount of any backup withholding from a Tender Offer will be allowed as a credit against the U.S. Holder's U.S. federal income tax liability and may entitle the U.S. Holder to a refund, provided that the required information is furnished to the Internal Revenue Service (the "IRS").

In order for a holder that is not a "United States person" (as defined in the Code) to qualify for exemption from backup withholding, the holder may be required to submit an IRS Form W-8BEN or W-8BEN-E or other applicable IRS Form W-8 attesting to that holder's non-U.S. status. IRS forms may be obtained at the IRS website at www.irs.gov.

Certain Luxembourg Tax Considerations

The following information is of a general nature only and does not purport to be a comprehensive description of all tax considerations that may be relevant to this Offer to Purchase. It is based on the laws, regulations and administrative and judicial interpretations presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. This summary does not take into account the specific circumstances of particular investors. Investors should consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used in the sub-headings below applies for Luxembourg income tax purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature refers only to Luxembourg tax law and/or concepts. Also, please note that a reference to Luxembourg income tax generally encompasses corporate income tax (“*impôt sur le revenu des collectivités*”), municipal business tax (“*impôt commercial communal*”), a solidarity surcharge (“*contribution au fonds pour l’emploi*”) as well as personal income tax (“*impôt sur le revenu*”). Investors may further be subject to net wealth tax (“*impôt sur la fortune*”) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident in Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

Withholding Tax

Payment of Consideration (as well as Accrued Interest) by Nexa Resources can be made free of withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein in accordance with applicable law, subject, however, to the possible application of the Luxembourg law of 23 December 2005, as amended, introducing a tax on certain payments of interest made to Luxembourg resident individuals (the “Relibi Law.”)

Payment of interest or similar income on debt instruments made or deemed to be made by a paying agent (within the meaning of the Relibi Law) established in Luxembourg to an individual beneficial owner who is a resident of Luxembourg will be subject to a tax at a rate of 20%. Such tax will be in full discharge of income tax if the individual beneficial owner acts in the course of the management of his private wealth. Responsibility for the withholding and payment of the tax lies with the Luxembourg paying agent. Payment of interest coming within the scope of the Relibi Law will be subject to a withholding tax at a rate of 20%.

An individual beneficial owner of interest or similar income (within the meaning of the Relibi Law) who is a resident of Luxembourg and acts in the course of the management of his private wealth may opt in accordance with the Relibi Law for a final tax of 20% when he receives or is deemed to receive such interest or similar income from a paying agent established in a EU Member State (other than Luxembourg) or in a Member State of the European Economic Area which is not an EU Member State. In such case, the 20% levy is calculated on the same amounts as for the payments made by Luxembourg paying agents. The option for the 20% levy must cover all interest payments made to the Luxembourg resident beneficial owner during the entire civil year. The individual resident that is the beneficial owner of interest is responsible for the declaration and the payment of the 20% final tax.

Income Taxation of Resident Holders who Tender their Notes

Luxembourg Resident Corporate Holder of Notes

A Luxembourg resident corporate holder who tenders its Notes must include any gain realized on the sale of Notes in exchange for the payment of Consideration pursuant to the Tender Offers as well as any Accrued Interest in its taxable income for Luxembourg income tax purposes, unless such holder of Notes is exempt from tax.

Luxembourg Resident Individual Holder of Notes

A Luxembourg resident individual holder of Notes, acting in the course of the management of his private wealth, is subject to Luxembourg income tax at progressive rates in respect of interest income under the Notes (as

well as Accrued Interest), except if (i) withholding tax has been levied on such payments in accordance with the Relibi Law or (ii) the individual holder of the Notes has opted for the application of a 20% tax in full discharge of income tax in accordance with the Relibi Law, which applies if a payment of interest has been made or ascribed by a paying agent established in a EU Member State (other than Luxembourg) or in a Member State of the European Economic Area (other than a EU Member State). A gain realized by a Luxembourg resident individual holder of Notes, acting in the course of the management of his private wealth, upon the sale or disposal, in any form whatsoever, of Notes (including a sale of Notes in exchange for Consideration pursuant to the Tender Offers) is not subject to Luxembourg income tax, provided this sale or disposal took place more than six months after the Notes were acquired. However, any portion of such gain corresponding to accrued but unpaid interest income is subject to Luxembourg income tax, except if tax has been levied on such interest in accordance with the Relibi Law.

Income Taxation of Non-Resident Holders who Tender their Notes

Non-resident holders who tender their Notes, and do not have a permanent establishment, a permanent representative, or a fixed place of business in Luxembourg to which or to whom the Notes or income therefrom are attributable, are not subject to Luxembourg income taxes on Consideration (as well as Accrued Interest) received pursuant to the Tender Offers.

Non-resident corporate or individual holders acting in the course of the management of a professional or business undertaking who tender their Notes, and have a permanent establishment, a permanent representative, or a fixed place of business in Luxembourg to which or whom the Notes or income therefrom are attributable are subject to Luxembourg income tax on any income from the Notes (including Accrued Interest) as well as any gain realized upon the sale of the Notes in exchange for Consideration pursuant to the Tender Offers.

Other Taxes

The transfer of Notes will not give rise to any Luxembourg stamp duty, issuance tax, registration tax, transfer tax or similar documentary taxes or duties, provided that the relevant transfer agreement is not registered in Luxembourg. A fixed or *ad valorem* registration duty in Luxembourg may, however, apply (i) upon voluntary registration (*présentation à l'enregistrement*) of the Notes (and/or any documents in relation thereto) before the Registration and Estates Department (*Administration de l'enregistrement et des domaines*) in Luxembourg, or (ii) if (a) the Notes (and/or any documents in relation thereto) are attached to a compulsory registrable deed under Luxembourg law (*acte obligatoirement enregistrable*) or (b) the Notes (and/or any documents in relation thereto) are deposited with the official records of a notary (*déposé au rang des minutes d'un notaire*), or (c) any documents related to the Notes are referred to in a public deed or used before a Luxembourg official authority or any *autorité constituée* or before a Luxembourg court, notably by being referred to in a writ, to the extent that such documents are subject to mandatory registration within a fixed cut-off date (*délai de rigueur*).

Value Added Tax

No Luxembourg value added tax is levied with respect to any transfer of the Notes.
