Details of the Offers

Each Offer will expire at 5:00 p.m. (New York City time) on May 23, 2023 (as the same may be extended with respect to such Offer, the "Expiration Date"). Tendered Notes may be withdrawn at any time prior to 5:00 p.m. (New York City time), on May 23, 2023 with respect to each Offer (as the same may be extended with respect to such Offer, the "Withdrawal Date"), but not thereafter, except as required by applicable law as described in the Offer to Purchase. Neither Offer is conditioned on completion of the other Offer, and each Offer otherwise operates independently from the other Offers. Neither Offer is conditioned on any minimum amount of Notes being tendered.

For a Holder who holds Notes through DTC to validly tender Notes pursuant to the Offers, an Agent's Message and any other required documents must be received by the Tender Agent at its email address set forth on the Offer to Purchase at or prior to the applicable Expiration Date or, if pursuant to the Guaranteed Delivery Procedures, at or prior to 5:00 p.m. (New York City time) on May 25, 2023 (the "Guaranteed Delivery Date"). For a Holder who holds Notes through Clearstream or Euroclear to validly tender Notes pursuant to the Offers, such Holder must tender such Notes by the submission of valid Tender Instructions in accordance with the procedures described in the Offer to Purchase and of such Clearing System, as applicable. There is no letter of transmittal for the Offer to Purchase.

Upon the terms and subject to the conditions set forth in the Tender Offer Documents, Holders who (i) validly tender Notes at or prior to the applicable Expiration Date (and do not validly withdraw such Notes at or prior to the applicable Withdrawal Date) or (ii) deliver a properly completed and duly executed Notice of Guaranteed Delivery (or comply with ATOP procedures applicable to guaranteed delivery) and all other required documents at or prior to the applicable Expiration Date and validly tender their Notes at or prior to the applicable Guaranteed Delivery Date pursuant to the Guaranteed Delivery Procedures, and, in each case, whose Notes are accepted for purchase by us, will receive the applicable Total Consideration for each \$1,000 or €1,000 principal amount of Notes, as applicable, which will be payable in cash. We will accept and pay for all validly tendered and not validly withdrawn Notes that are accepted for purchase by us.

The Total Dollar Notes Consideration payable for the series of Dollar Notes will be a price per \$1,000 principal amount of such series of Dollar Notes that are validly tendered, and not validly withdrawn, and accepted for purchase, equal to an amount, calculated in accordance with the formula described in the Offer to Purchase, that would reflect, as of the applicable Settlement Date, a yield to the maturity date of the Dollar Notes equal to the sum of (i) the Dollar Notes Reference Yield determined at 2:00 p.m.(New York City time) on May 23, 2023 (subject to certain exceptions set forth in the Offer to Purchase, such time and date, as the same may be extended, the “Dollar Notes Price Determination Time”) *plus* (ii) the fixed spread applicable to Dollar Notes, as set forth in the table above (the “Dollar Notes Fixed Spread”). The “Dollar Notes Reference Yield” means the yield of the reference security listed in the table for the Dollar Notes above, as derived in the manner detailed in the Offer to Purchase.

In addition to the Total Dollar Notes Consideration, Holders whose Dollar Notes are accepted for purchase by us will be paid the accrued and unpaid interest on such Dollar Notes from the last interest payment date (which was February 15, 2023) up to, but not including, the Settlement Date for the Dollar Notes Offer, which is expected to be May 26, 2023 (the “Dollar Notes Accrued Coupon Payment”).

The Total Euro Notes Consideration payable for each €1,000 principal amount of Euro Notes that are validly tendered, and not validly withdrawn, and accepted for purchase will be equal to €1,000.

In addition to the Total Euro Notes Consideration, Holders whose Euro Notes are accepted for purchase by us will be paid the accrued and unpaid interest on such Euro Notes from the last interest payment date (which is May 15, 2023) up to, but not including, the Settlement Date for the Euro Notes Offer, which is expected to be May 26, 2023 (the “Euro Notes Accrued Coupon Payment” and, together with the Dollar Notes Accrued Coupon Payment, the “Accrued Coupon Payment”).

Interest will cease to accrue on the applicable Settlement Date for all Notes accepted in the Offers, including those tendered through the Guaranteed Delivery Procedures.

Each Offer is subject to certain conditions, including, among other things, with respect to the Offers for the Dollar Notes, the Dollar Notes Financing Condition and, with respect to the Offer for the Euro Notes, the Euro Notes Financing Condition, and certain customary conditions. Subject to applicable law and limitations described in the Offer to Purchase, we may waive any of the conditions in our sole discretion.

Our obligation to accept and pay for any Dollar Notes validly tendered and not validly withdrawn is conditioned on the successful completion, after the date hereof and prior to the Settlement Date for the Dollar Notes Offer, of the New Dollar Notes Offering on terms and resulting in receipt of net proceeds satisfactory to us (the “Dollar Notes Financing Condition”).

Our obligation to accept and pay for any Euro Notes validly tendered and not validly withdrawn is conditioned on the successful completion, after the date hereof and prior to the Settlement Date for the Euro Notes Offer, of the New Notes Offerings on terms and resulting in receipt of net proceeds satisfactory to us (the “Euro Notes Financing Condition”).

From time to time after the applicable Expiration Date, we or our affiliates may acquire Notes that are not purchased in the Offers through open market purchases, privately negotiated transactions, tender offers, exchange offers, redemptions, satisfaction and discharge or otherwise, upon such terms and at such prices as we or our affiliates may determine or as may be provided for in each Indenture or other documents governing each series of Notes (which may

be on terms more or less favorable from those contemplated in the Offers and, in either case, could be for cash or other consideration).
